Beacon institutes Stage 1 drought emergency

Mayor Lee Kyriacou instituted Stage 1 Drought Emergency restrictions for municipal water use on August 31. These restrictions are reserved for when reservoir levels reach sixty percent of capacity and are outlined by Chapter 24 of the City Code.

Kyriacou said in a press release, “Due to the ongoing drought throughout the Hudson Valley Region, I have instituted restrictions to protect and conserve our municipal water supply. I want to thank the members of our community for helping to mitigate the impacts of these ongoing dry conditions in hopes of preventing further restrictions in the coming weeks.”

The relevant restrictions for a Stage 1 Drought Emergency are as follows:

(1) No person or entity shall cause, permit or allow:

(a) The continuing leak or waste from any water pipe, valve, faucet, conduit, equipment, facility, or device connected to the City of Beacon water system, or which utilizes City of Beacon water, on or in any premises owned, leased, managed, operated, or controlled by such person or entity.

(b) The washing of any vehicle by means of a hose, fire hydrant, or other active source connection to the City of Beacon water system, except a commercial vehicle washing operation if equipment has been installed and is utilized so that at least 50% of the water used is recirculated by means of a system approved by the Department, or high-pressure restrictor hoses may be used in a coin-operated car wash.

(c) The washing of any street, sidewalk, driveway, outdoor area, outdoor steps, building exterior, or other structures by means of a hose, fire hydrant, or other active source connected to the City of Beacon water system or which utilizes City of Beacon water.

(d) The use of water from any source for any ornamental purpose, including but not limited to use in fountains, artificial waterfalls, reflecting pools, lakes and ponds.

(e) The use of water from the City of Beacon water system to water any lawn, golf course, ornamental shrub, plant, or tree, except that:

[1] City of Beacon water may be used to water any lawn, tree, shrub, garden or golf course, greens and tees only from 7 a.m. to 8 a.m. and 10 p.m. to 11 p.m.

[2] City of Beacon water may be used at any time to irrigate, from a hand-held container, vegetables or fruits for human consumption.

[3] Plant nurseries and other commercial users engaged in the business of growing, distributing, or selling plants may use such water on their business premises for watering ornamental shrubs, plants, or trees, provided that each user reduces its use of water by 15% or such other percentages as may (hereafter) be prescribed for nonresidential water users.

(f) The opening or use of any fire hydrant, or of the water there from, for any purpose other than fire protection except in accordance with a permit.

Superintendents look forward to new school year with excitement

By Kristine Coulter

Local school superintendents Dr. Dwight Bonk and Dr. Matthew Landahl answered questions about the upcoming 2022-23 school year in the Wappingers Central School District (WCSD) and Beacon City School District (BCSD) respectively. Both districts welcome back students this week.

Excited for the new year in the BCSD

“My message to students is to relax, do your best, ask for help from any school staff when you think you need it, all questions are good, and make new friends,” said Landahl when asked what he would tell students welcoming them back to the BCSD for the upcoming school year.

Landahl noted, “We have one new principal this year, Cathryn (Catie) Biordi who is the new principal at Sargent Elementary. She was one of the assistant principals at Rombout Middle School for the past four years.”

Regarding COVID-19, Landahl said he does not have any new updates at this time. He noted, “We urge families to keep students with symptoms home from school but masks and quarantining from exposures are not required this year. We will still have the occasional vaccine clinic to help people stay updated with that if they choose.”

Regarding what he would like students in the BCSD to know, Landahl stated,

“We are looking forward to a year of exciting learning experiences, field trips, and improved communication this year, and even more in-person events to build our community further.”

Landahl said, “We are incredibly excited to get this year started! We can’t wait to see everyone!”

WCSD welcomes back 10,500 students

“The District has been working diligently

during the summer months in preparation for the start of the 2022-23 school year, which begins on Wednesday, September 7th. We remain very thankful to our community for the support of our 2022-2023 Budget, which enabled the District to add staff and services in the area of student mental health and wellness. Auxiliary hosts dinner to assist local family with medical bills

By Kristine Coulter

The Slater Chemical Auxiliary recently hosted a pasta dinner with proceeds going to an 8-year-old and his family. Local Beacon City School District student Chase Pultz was hospitalized at a local children’s hospital in early June.

Chase became very ill after he had a sinus infection, which led to weeks in Maria Fareri Children’s Hospital in Valhalla, Westchester County, said his mother, Jeanine Geiser.

“He is doing well. He is doing better every day,” said Jeanine during the pasta dinner. She said what started out as a sinus infection became so severe that his head became clogged because the drainage had nowhere to go and took over everything.

“It’s been rough, a challenge. We’re just making the best of it,” she noted. According to information about the dinner, Jeanine took time off from her job during this time to take care of her son.

Joann Schiller, a Beacon resident and member of the auxiliary, said, “I had Chase in my religion class last year.” This past school year Chase was in the second-grade class in which Schiller was a teacher’s aide.

“He’s a special boy. He never complains. He’s always happy,” Schiller said about Chase.

Tina Brown is the president of the Slater Chemical Auxiliary. “We’ve been preparing probably about a month (for the fundraiser),” said Brown. “We like to give back to our community.” Asked what Brown and the other 45 members of the Auxiliary would like the Pultz family

to know, Brown replied, “That we love them.”

On the menu for attendees who attended the dinner was pasta (with a choice of butter, sauce or meat sauce). What pairs well with pasta? Italian and garlic bread

the voter-approved Capital Improvement proposition, which allowed for significant improvements to the infrastructure of our 15 buildings,” said Bonk.

He noted, “The District continues to make the necessary systemic changes that provide for the most effective and efficient District Operations. The District welcomes Dr. Kathy Affigne as the Interim Principal of Brinckerhoff Elementary School. The District will begin the search for a principal in the early fall.”

Regarding school safety, Dr. Bonk said, “In the area of school safety, which remains our top priority, the regular practice of collaboration with Dutchess County Executive Marcus Molinaro, Dutchess County Acting Sheriff Kirk Imperati, the New York State Police, local municipal officials, and law enforcement partners that serve our District from the Town of East Fishkill, Town of Fishkill, Village of Fishkill, Town of Poughkeepsie, Town of Wappinger, and the Village of Wappingers Falls as well as our security vendors continues to promote a safe school environment.” He continued, “We are very grateful for their continued support and are pleased to report that our ten elementary schools will have an increased police presence throughout each school day. Their detailed schedules will not be disclosed for security reasons, but we believe their presence will become noticeable immediately.” School Resource Officers have been added this year at both Van Wyck Junior High School and Wappingers Junior High School, said the superintendent, in addition to those previously assigned to both John Jay High School and Roy C. Ketcham High School.

The District, said Bonk, has also secured the following services:

- Engaged the services of the Putnam-Northern Westchester (PNW) BOCES Regional Safety Services program to conduct building safety audits of all of our schools. This work will be carried out throughout the fall with recommendations for improvements being made along the way.
- Ordered technology enhancements that will improve the current emergency procedures and communication systems,

and looking forward to the implementation of these solutions.

- Established a goal of focusing on Threat Assessment Training based upon the University of Virginia Comprehensive School Threat Assessment Guidelines (CSTAG). This work will be ongoing throughout the school year and beyond.
- Training for staff will remain an integral part of the District and building safety plans, and new system enhancements and training opportunities with PNW BOCES will be utilized regularly.

“We continue to offer our regular curricular programs as well as our extra-curricular programs and continue to expand

our Career and Technical opportunities through our Career, Vocational, and Technical Education Initiative, adopted two years ago, which expands opportunities for career awareness opportunities and experiences at the K-8 level. We are grateful for the support that we have received from our business community in establishing School-Business Partnerships to make this a reality,” said Bonk.

“We are looking forward to returning to the business of education as we move forward this school year. Masks are not required for individuals during school hours, or at school extra-curricular activities or events in our school buildings or on District property,” remarked Bonk. “The remaining COVID protocols which remain, per the New York State Education Department, require those individuals who test positive for COVID-19 to isolate for five calendar days, with Day Zero beginning with the date the sample was provided for testing or the date first signs and symptoms appeared. The individual may return to school after Day Five as long as they demonstrate symptom resolution and are fever free for 24 hours without the use of fever reducing medications.”

Bonk stated, “In closing, we look forward to the return of our 10,500 students, and a most productive and rewarding school year for all! Our staff will be ready, willing, and able to assist our students by providing a safe school environment that fosters the highest degree of academic, social, and emotional success for our students”

Register for naturalist classes offered in the fall

Registration will open Tuesday, September 6th for Dutchess County Parks’ popular fall naturalist classes. Programming for youth and adults will be held at Bowdoin Park, located at 85 Sheafe Road in the Town of Poughkeepsie, and will explore topics such as an introduction to nature-inspired art, archery, or exploring the natural habitats of the park.

Dutchess County Executive Marc Molinaro said, “As the season begins to change, we kick off our naturalist programming fall sessions. We encourage everyone to take advantage of the fun

educational opportunities offered and explore what our beautiful Bowdoin Park has to offer. Register quickly though, as these programs are notoriously popular!”

The Fall Naturalist Program schedule is as follows and registration will be available at dutchessny.gov/parks.

The Park Palette Art Series, for ages 10-18, will take students through a step-by-step process to create nature themed paintings. Students can choose one workshop or take all three. Cost is \$12, and includes all supplies. Classes are 3:30-5 p.m. at Pavilion 5 and are limited to 10 participants.

- Tuesday, September 27 – Hudson River Sunset
 - Tuesday, October 11 – Grandmother Sycamore Tree
 - Tuesday, October 25 – Butterfly
- The Eaglet Nature Program for youth ages 5-7, along with their parents or caregivers, will give children a closer look at the unique habitats throughout the park through interactive exploration and play. Each week’s session will focus on a different topic, and will include a related craft activity. Classes will be 4-4:45 p.m. and will begin at the Nature Education Center near Pavilion 5. Registration is \$5 per child and sessions are limited to 12 participants.
- Thursday, October 13 – Down by the River
 - Thursday, October 27 – Bald Eagles
 - Thursday, November 10 – Prehistoric Rock Shelter
- Weekend Public Archery consists of five classes, held on Saturdays, with various time slots offered. The sessions,

each an hour long, are designed for children ages 8 and up, and adults with any level of archery experience. Basic hands-on archery skills, as well as bow and arrow safety, will be covered. Registration costs \$60 per person and includes all five classes and equipment. Each time slot is limited to 10 participants.

DCC awarded 3 grants from SUNY Systems Administration

Dutchess Community College (DCC) has been awarded three grants from SUNY System Administration, each of which will support various elements of the greater Dutchess County workforce development landscape. All totaled, they approach \$1.8 million in new funding over a three-year span.

The largest of these is a three-year, \$1.49 million grant to establish a SUNY Future of Work Center at DCC’s new Mechatronics and Workforce Development Labs, located at DCC @ Fishkill. The Future of Work Center will create short-term, degree-eligible and non-degree credential programs which quickly address employer skill needs and prepare job seekers – especially those from underrepresented communities – for careers in high-growth industries. The grant provides the start-up funds needed to develop curriculum – in collaboration with regional businesses – and deploy marketing tactics to prospective employers and students.

“This Future of Work Center grant aligns nicely with the strategies of Dutchess County’s Workforce Investment Board (WIB), as well as its Economic Development Advisory Council’s Education and Workforce Committee, to close the skill gaps and create pipelines to good paying jobs,” explained DCC President Peter Grant Jordan.

In addition, DCC received a \$200,000 grant in support of its Noncredit-to-Credit Pathways and Microcredential initiatives, designed to create or enhance educational pathways for learners focused on the

training needs of local businesses and organizations.

These include two pathways in health-care, starting with Certified Nurse Assistant (CNA) and EMT Basic programs that can lead to Nursing and EMT/ Paramedic degrees; one pathway in Business, a Bookkeeping micro-credential which can

lead to a degree in Business Administration; and one in Information Technology, starting with a Networking-for-the-Cloud micro-credential that can lead to a degree in Computer Information Systems.

The grant also provides comprehensive academic and non-academic wraparound support to promote student success.

Lastly, DCC received a \$70,000, three-

year sub-award for its role in a workforce consortium that is part of SUNY’s Cannabis Workforce Development Grant Program. This project is a “hub-and-spoke” model, with SUNY Orange serving as the lead institution, and Dutchess, Rockland, Sullivan, Ulster and Westchester community colleges as partners.

This grant supports the emerging cannabis industry by providing industry, business and curriculum development, education and training, student supportive services, and outreach and marketing. The project focuses on developing and implementing an employer-driven sector strategy, with a preference to serve populations who have been disproportionately impacted by the war on drugs (also known as cannabis prohibition).

“These projects fit squarely in the crosshairs of what our business community so urgently needs from us,” Dr. Jordan added. “Our grant applications received letters of support from the County Executive, Council of Industry, IBM, Global Foundries, the WIB, Dutchess BOCES, and more, and we are grateful for their support and trust in us as stewards of these investments, as well as the development of their soon-to-be business colleagues.”

To learn more about any of these programs, including how you might enroll or your business might participate, please contact DCC’s Office of Workforce Development and Continuing Education at 845-431-8900 or workforce@suny-dutchess.edu, or visit them in person at 220/223 Bowne Hall on the main Poughkeepsie campus.

obtained from the Water Department and only for the period of and the purpose authorized by such permit and in strict adherence to all terms and conditions set forth therein.

(g) The operation of an air-conditioning system utilizing water from the City of Beacon water system in a cooling tower, unless within 30 days from the effective date of this chapter a separate meter is installed to continuously measure the flow of water to the cooling tower or the water is recirculated.

(h) The operation of any air-conditioning system in excess of two tons of rated capacity or greater or any refrigeration unit rated at 10 horsepower or greater using water from the City of Beacon water system unless such air-conditioning system or refrigeration unit is equipped with a water recirculating device approved by the Department.

(i) The use of water from the City of Beacon water system to fill or maintain the water level in any swimming pool, except

that, provided the pool is operated with recirculating equipment, City water may be used to fill the pool once during each calendar year and thereafter may be used as necessary to maintain the water level in such pool.

(2) Each nonresidential user of water from the City of Beacon water system shall prepare and retain a water consumption reduction plan enabling it to reduce its use of water in stages of 15%, 20% and 25% based upon its water consumption during the calendar year. Such plans shall be designed to achieve and maintain a reduction of 15%, 20% or 25% immediately upon the declaration of a Stage I, Stage II or Stage III emergency, respectively. Each such user shall promptly implement the first phase of its plan during Stage I and shall reduce its consumption by 15%. On and after 30 days from the effective date of this chapter, each such user shall have its water consumption reduction plan available at all times for inspecting and copying by employees of the Department.

USS Roosevelt commander sends message of thanks, provides update

Residents of Ulster and Dutchess Counties:

Happy Labor Day from USS ROOSEVELT! We spent the summer in our homeport of Rota, Spain, preparing the ship and crew for our upcoming fourth patrol in the Sixth Fleet area of operations. In just a few weeks, we will head back out to sea, defending freedom and democracy in the way we know best. This Labor Day, we'd like to thank you for your work every day to support our great nation.

The United States has celebrated Labor Day since 1894 to celebrate the achievement of workers and the strength and prosperity that their work has brought this country. During his presidency, our namesakes Franklin and Eleanor Roosevelt were famed for promoting four essential freedoms that he deemed integral to the American spirit: the freedoms of speech, of worship, from want, and from fear. Without our powerful workforce, these freedoms would be little more than a dream, and America would be just a shadow of what it is today.

For many service members, it is common knowledge that the role of the spouse at home during a deployment is just as challenging as the role of the service member. They maintain the family, the home, and their own career, while also supporting their spouse overseas. The balance is delicate and challenging and it does not go unnoticed by the service member. Similarly, we recognize the work you put into our country every day. Without you and the products of your labor, we would be left without a country to defend. So on this Labor Day, the crew of USS ROOSEVELT honors you and thanks you for your work every day to support our nation. Happy Labor Day!

Dutchess County firefighters assist with wildland fires in Ulster County

Several Dutchess County fire departments deployed resources to assist with the suppression efforts of two wildland fires at the Napanoch Point and Stony Kill areas of Minnewaska State Park Preserve in Ulster County last week. The Dutchess County Department of Emergency Response (DER) was working with the local departments to respond to the inter-county mutual aid request from Ulster County Emergency Services and New York State Department of Environmental Conservation Forest Rangers.

Nearly 20 firefighters responded with a variety of equipment resources including utility terrain vehicles (UTV) and support vehicles with firefighting capabilities. According to the DEC Forest Rangers, the fire is believed to have been started by a lightning strike on August 27th, however suppression efforts have been challenging due to the extremely dry conditions and difficult terrain of the area. Dutchess County DER continued to coordinate mutual aid efforts until the fire was contained.

Dutchess County Executive Marc Molinaro said, "We have been actively communicating with officials from the State and Ulster County to offer our assistance with

getting the fires at Napanoch Point and Stony Kill at Minnewaska under control. We are grateful to the firefighters from departments across Dutchess County who have answered the call to provide necessary support in battling this challenging wildfire."

Responding fire departments include (as of September 2):

- Amenia Fire District
- Hyde Park Fire Department
- Milan Fire Department
- Millbrook Fire District
- New Hamburg Fire Department
- Red Hook Fire Department
- Rhinebeck Fire District
- Roosevelt Fire Department, Hyde Park
- Tivoli Fire Department
- Union Vale Fire Departmen

Napanoch Point and Stony Kill are located within the Minnewaska State Park Preserve and feature very remote and rugged terrain that is difficult to access. Hundreds of emergency crews responded to address the fires. As of press time, the Napanoch Point fire has scorched approximately 130 to 150 acres; the smaller fire at Stony Kill was detected on August 30th and is approximately 0.68 acres.

State Police: 29-year-old man falls through gap on Newburgh-Beacon Bridge after leaving disabled car

The New York State Police from Troop K responded to the eastbound lanes of Interstate 84, on the span of the Newburgh-Beacon Bridge, to investigate a report of a male subject that fell from the bridge around 9:50 p.m. on August 30. According to a press release from the State Police, the investigation revealed that Paul Montenero, 29, of the town of Poughkeepsie, fell from the bridge after the vehicle he was traveling in became disabled in traffic. Montenero attempted to get to a safer location by trying to gain

access to the pedestrian walkway located adjacent to the road and subsequently fell through a gap between the roadway and the pedestrian walkway, stated law enforcement. Montenero's body was recovered by the Orange County Technical Rescue Team. Troop K personnel were also assisted by NYSP Troop F members, the NY State Bridge Authority, the Dutchess County Sheriff's Office Marine Patrol, and the City of Newburgh Fire Department.

Start planning now! 2023 Renegades schedule is set

By Rich Thomaselli

The Hudson Valley Renegades, the High-A affiliate of the New York Yankees, have announced their 2023 schedule, featuring 132 games set to begin Friday, April 7 at Dutchess Stadium. The 2023 season marks the third year for the Renegades as a member of the South Atlantic League.

The schedule features 66 home games and 66 road games against nine opponents. Hudson Valley faces off against North Division opponents 105 times, while playing South Division foes in the remaining 27 contests.

The season begins on Friday, April 7 as the Renegades host a three-game series with the Greensboro Grasshoppers, kicking off a season-opening nine-game homestand through April 16, which also includes six games with the Aberdeen IronBirds.

“We are very excited for the 2023 season of Renegades baseball at The Dutch,” Steve Gliner, President and General Manager of the Renegades, said in a state-

ment. “We have a lot of big things planned for next year, and we can’t wait to share it all with our fans.”

The most frequent opponent for the Renegades in 2023 is the Wilmington Blue Rocks, the High-A affiliate of the Washington Nationals. The ‘Gades and Rocks will square off 30 times during the season. Hudson Valley is set for 24 games each with Aberdeen (Baltimore), Brooklyn (NY Mets), and Jersey Shore (Philadelphia).

Hudson Valley hosts one new opponent out of the South Division this year, welcoming the Bowling Green Hot Rods to The Dutch from July 14-16. The Hot Rods are an affiliate of the Tampa Bay Rays, the Renegades parent club from 1996-2019.

The Renegades host two nine-game homestands in 2023 – April 7-16 and July 14-23. They will take two 12-game road trips during the season – from April 18-30 to Rome and Greenville, and July 25-August 6 against Hickory and Wilmington.

ROUNDUP

Renegades stay close to Cyclones
in tight race for 2nd-half crown

By Rich Thomaselli

Three Hudson Valley Renegades pitchers combined to shut out the Jersey Shore BlueClaws 8-0 on Thursday night, September 1, at Dutchess Stadium. It was the ninth shutout of the year thrown by the Renegades, and the fourth against the BlueClaws.

The victory allowed Hudson Valley stay a half-game behind Brooklyn in the North Division of the South Atlantic League with just nine games left in the season.

The Renegades took the lead in the bottom of the second inning when Eduardo Torrealba ripped a single to left off Kyle Glogoski to score Carlos Narvaez to open up a 1-0 advantage.

That was all that Richard Fitts needed as he turned in another gem for Hudson Valley. In his fourth High-A start, Fitts (3-0) threw 5.2 shutout innings, scattering four hits and rack-

ing up a career-high nine strikeouts.

In 26.1 innings with the Renegades, the right-hander has a 0.68 ERA, and has allowed only 15 hits while striking out 30 and walking just two batters.

Hudson Valley tacked on four runs in the bottom of the sixth to open up a 5-0 lead with a rally against Carlos Francisco.

Aaron Palensky ripped an RBI single to left, Trey Sweeney walked with the bases loaded and Tyler Hardman brought in two more with a double. Hardman now leads all Yankees minor leaguers with 76 RBIs on the season.

Bailey Dees relieved Fitts and tossed 2.1 perfect innings in his High-A debut, striking out four. Enrique Santana guided the Gades through the ninth and locked down the shutout win with a scoreless inning in his High-A debut.

The Renegades will close out their regular season schedule with six games at Wilmington this week.

Richard Fitts (3-0) threw 5.2 shutout innings, scattering four hits and racking up a career-high nine strikeouts in last week's win over Jersey Shore.

GLINER'S KORNER!

Educating fans and making
adjustments for next season

Every week, Hudson Valley Renegades President Steve Gliner sits down with reporter Rich Thomaselli to discuss the team in particular, and minor league baseball in general.

Last homestand as we speak! Take us through the year.

2022 was all about having a season without having any restrictions and getting back into the groove. Like we talked about before, we never played Renegades games in April before and the average temperature in April was 48 degrees. So it was definitely different. We just released our 2023 schedule (see story on Page 6) and we're looking forward to that, and it starts even earlier (at home) than before on April 7. So for us it's still all about educating the market on our new league and new schedule. But as a staff we know we head into the off-season without any restrictions we're coming off and now we know moving forward everything is going to be as we knew it.

You've talked about that need to educate the market before, but was there an adjustment these last two seasons going to full-season baseball for you and the staff?

You have to kind of look at the schedule and prepare. There are a lot of things that have to fall into place. It makes it easier knowing what we've done this month. We learned things from this year, especially what April and May are like.

As April and May of this year turned into summer, did you adjust on the fly?

Not really. There's not a lot you can do once things are in place, but you can take a lot of good notes. Here's what worked well, here's what didn't, that sort of things. I kind of expected April and May to be light, with kids in school and us not having a history of playing in those months (in the New York-Penn League). Now we have a whole season of data of how things work.

I had a boss who used to used this

phrase "second notebook" to jot down ideas separate from what you were covering about things you might want to implement. Do you do that?

All the time. I have a pile of notebooks that I refer back to. There's always

instances where se can take information and move forward. We are constantly looking for ways to improve. We come in with a game plan and maybe some of it clicks and maybe some of it doesn't. So you look at what works and how to improve it, and you know at what doesn't and try to learn why it didn't.

As this last homestand comes to an end, were you pleased with the season and how things played out in terms of fan attendance, successes, fan recognition that you're a Yankee franchise, that sort of thing?

Yeah, we learned a lot from our perspective. We learned a lot. We were happy with the season but we can always improve. That's the mark of a good staff that they can recognize thoe instances. You're never comfortable. I think I've said that before. We always need to find ways to improve. We'll always want as much information as e can and that's where communication with the fans as well.

Auxiliary assists local family

was served and tossed salad. Dessert finished the meal. Raffles were also available for attendees to participate in during the event.

Christina Moseman, Auxiliary member, was serving the plates of food. “I think this is fantastic. This is the best for the community to come together, especially for a child. It is the best thing one can do. I love it,” said Moseman.

Town of Fishkill Councilman John Forman attended the fundraiser.

“Anytime we can help a family in need, the community in Dutchess County always comes together,” Forman remarked.

Howland Chamber Circle launches season

Howland Chamber Music Circle will launch its 2022-2023 season — its 30th anniversary season! — with a live performance by the renowned and innovative Verona Quartet, who will be joined by classical guitarist JIJI, on Sunday September 11 at 4 p.m. at the Howland Cultural Center at 477 Main Street, Beacon. To attend the concert, tickets are available for purchase at <https://howlandmusic.org/Tickets.html>.

For this performance, the Verona Quartet will be joined by JIJI, an adventurous artist on both acoustic and electric guitar, who plays a range of music from traditional and contemporary classical music to free improvisation. JIJI too has performed all over the world; she currently is on the faculty of Arizona State University. Her impeccable musicianship, compelling stage presence and fascinating repertoire earned her the First Prize at the 2016 Concert Artists Guild International

Jordan said about Chase.

East Fishkill Councilman Anil Beephan, who is running for the state Assembly, said, “It’s so nice to see volunteer firefighters who serve give to our community.”

Chase’s father Jason and brother, Jaxson, were at the event and pleased with the number of people that turned out for their family.

“Thank you to the community and Maria Fareri Children’s Hospital,” said Jason. Jeanine said Chase is scheduled for another surgery later this month.

Chase said, “Thank you,” to all who came to the event.

“Thank you so much for this beautiful turnout for a brave and strong Chase – our hero,” said Schiller.

Competition, among many other awards.

Their repertoire for this performance includes: two solo guitar pieces, one from the 19th century (Albeniz), and the second from the 21st century (Bjornsson); Beethoven’s Quartet No. 1; and three separate pieces for string quartet and guitar, composed by Dyens (21st c.), Boccherini (18th c.), and Paganini (19th c.).

HCMC is delighted to present this concert at the Howland Cultural Center. To ensure the safety of its patrons, HCMC is following all CDC and local COVID guidelines. Concerts will be held at reduced capacity to enable social distancing, and a proof of vaccination is required prior to entry. (Masks must be worn indoors.) As guidelines may change, HCMC thanks its patrons for their flexibility and cooperation.

For more information on this performance and on the entire 2022-2023 HCMC season, please visit howlandmusic.org.

County Players to present ‘The Book of Will’

County Players, one of the longest running community theatre companies in the area will present the Comedy “The Book of Will” by Lauren Gunderson, which opens Friday, September 9, Directed by Andrew Karl, performances are scheduled for Friday and Saturday September 9, 10, 16, 17, 23, 24 at 8 p.m., with a matinees on Sunday, September 18, and Saturday September 24 at 2 p.m. and will be held at the County Players Falls Theatre, 2681 W. Main Street in the Village of Wappingers Fall.

William Shakespeare’s been dead for three years. His friends and fellow actors miss him and his beautiful plays. When a pirated, badly botched Hamlet (“To be or not to be, there’s the point...”), they realize Shakespeare’s lines are disappearing into the forgetful memory of time. They need a book—a definitive copy of his original plays, but to make one, they have to battle an unscrupulous publisher, a boozy poet, and their own mortality. Lauren Gunderson’s look at Shakespeare’s First Folio is a lively, funny, poignant love letter to theatre and the printed word.

The production features the local talents of Michael Frohnhoefer; Michele George; Declan McCarthy; Kevin McCarthy, Jr.; Kevin McCarthy, Sr.;

Macy McKnight; David J. Ringwood; Julie Seltzer; Doug Woolley; and Robert Yarnall. Director Andrew Karl said, “At its core, “The Book of Will “ about a community coming together to honor their friend and each other. So it is fitting to be performed by County Players, who honor our community and each other with their commitment to the highest level of theatrical offerings. It’s been my honor to guide this story of life, love, loss, and the legacy of Shakespeare’s words - stories were for all of us. The “Book of Will” is for all of us.”

As Covid restrictions and mandates are evolving daily please visit the County Players webpage at countypayers.org for up-to-date information on theater restrictions and protocols, and individual ticket sales. The box office will not be open for in-person ticket sales neither before nor on performance days. Season subscriptions, and individual tickets will be available online only and in advance of the performance dates.

Hudson Valley Credit Union sponsors County Players’ 64th Season. This production of “The Book of Will” is made possible by Bronze Sponsor Facilities Maintenance Corporation, and is produced by special arrangement with Dramatists Play Service, Inc.

“The Book of Will” will open September 9 at County Players in Wappingers Falls.

HV Wine & Food Festival set on weekend at Fairgrounds

The Hudson Valley Wine & Food Festival is a celebration of wine, food, and fun in the Hudson Valley. This year’s event will be held at the Dutchess County Fairgrounds in Rhinebeck on Saturday from 11 a.m. – 6 p.m. and Sunday from 11 a.m. – 5 p.m. Presented by WineRacks.com, the festival features hundreds of wines from New York Wineries, more than 100 gourmet specialty

festival foods, fine art and lifestyle vendors, food sampling from some of the region’s best restaurants and live entertainment.

Visitors can learn about wine and food from many cooking demonstrations and Food & Wine seminars throughout the weekend and enjoy the rare opportunity to meet and speak to the wine makers from some of New York’s best wineries.

As the second half of the name suggests, the Hudson Valley Wine & Food Festival highlights some of the best food in the area. Since it’s inception in 2001, the food festival has featured lots of unique gourmet specialty food vendors.

Visitors can find everything from farm fresh cheeses, farm raised meats, salsas, BBQ sauce, pasta, pasta sauce, dip mixes,

drink mixes, soup mixes, pastries, baked goods, maple syrup, candy, nuts, granola, olive oils and more.

In addition, the event hosts some of the region’s most unique Food Trucks & food concessions. Cooking demonstrations go on throughout the food festival weekend.

TOWN OF PLEASANT VALLEY PROPOSED LOCAL LAW C OF 2022 BE IT ENACTED by the Town Board of the Town of Pleasant Valley as follows: **SECTION 1. TITLE.**
This Local Law shall be entitled “A Local Law Establishing Chapter 96 of the Town Code Regulating Grass Maintenance at Vacant and Abandoned Properties.” **SECTION 2. PURPOSE AND INTENT.**
The Town’s Zoning Administrator has notified the Town Board of a need to regulate the maintenance of lawns at vacant and abandoned properties in the Town. The proposed local law will provide standards and enforcement procedures for the maintenance of lawns at such properties. **SECTION 3. AUTHORITY.**
This law is enacted pursuant to §10 of the Municipal Home Rule Law. **SECTION 4. AMENDMENT TO THE CODE.**
Chapter 96, “Grass Maintenance,” is hereby established as follows: **§ 96-1. Authority; findings; purpose and intent.**
A. This chapter is enacted pursuant to § 10 of the Municipal Home Rule Law to provide for the health, safety, appearance and general welfare of the public, the residents of the Town of Pleasant Val-

Legal Notices

ley, and the owners of real property located within the Town of Pleasant Valley. B. The Town Board finds that properties on which the lawns are not adequately maintained tend to diminish or lessen the appearance thereof or detract from the appearance of adjoining properties, which may lead to the progressive deterioration of a neighborhood. C. The purpose and intent of this chapter is to provide a method to help ensure that the lawns on properties

Legal Notices

within the Town are properly maintained. **§ 96-2. Applicability.** A. This chapter shall apply to all lots, plots or parcels of land on which residential, nonresidential, and/or mixed-use buildings are located, which land and buildings are vacant or abandoned. B. The provisions of this chapter shall supplement the Property Maintenance Code of New York State. When a provision of this chapter is found to be inconsistent with any provision of any other

Legal Notices

local law, code or regulation of the Town or state, the provision or requirement which is the more restrictive or which establishes the higher standard shall prevail. A greater penalty shall not be considered as more restrictive or a higher standard. **§ 96-3. Definitions.** As used in this chapter, the following terms shall have the meanings indicated: **ABANDONED**—Land or building in which all habitation, use and/or occupation has ceased.

Legal Notices

LAWN—Exterior portion of property which includes grass, ground cover, weeds and/or other similar plant growth and vegetation. This term shall not, for purposes of this chapter, include cultivated flowers and gardens, nor any land in agricultural production. **PERSON IN CONTROL**—The owner, the attorney for the owner, the tenant, the occupant, the trustee

TOWN OF PLEASANT VALLEY PROPOSED LOCAL LAW B OF 2022
BE IT ENACTED by the Town Board of the Town of Pleasant Valley as follows: **SECTION 1. TITLE.**
This Local Law shall be entitled “A Local Law Repealing Chapter 95 and Amending Chapter 98, Section 98-34, of the Town Code with Regard to the Outdoor Storage of Junk Motor Vehicles”. **SECTION 2. PURPOSE AND INTENT.**
The Town’s Zoning Administrator has notified the Town Board that the Code of the Town of Pleasant Valley (the “Town Code”) contains two inconsistent sets of regulations relating to outdoor storage of junk motor vehicles. The Town Board has determined that the regulations in Chapter 98 “Zoning,” Section 98-34 “Junk motor vehicles,” should be retained and modified, and the regulations in Chapter 95, “Outdoor Storage of Junk Motor Vehicles,” should be removed from the Code. **SECTION 3. AUTHORITY.**
This law is enacted pursuant to §10 of the Municipal Home Rule Law. **SECTION 4. AMENDMENT TO THE CODE.**
Chapter 95 is hereby repealed and shall be removed from the Town Code. Chapter 98 “Zoning,” Section 98-34 “Junk motor vehicles,” shall be repealed and replaced as follows:
A. Intent. The outdoor storage of junk motor vehicles and/or motor vehicle parts constitutes a health, fire and safety hazard, is generally unsightly and tends to depreciate the value of property in the neighborhood. Therefore, it is prohibited.
B. Definitions. As used in this chapter, the following terms shall have the meanings indicated:
(1) JUNK MOTOR VEHICLE — Any unregistered motor vehicle for which a registration with DMV is required for operation.
(2) MOTOR VEHICLE — Any self-propelled vehicle manufactured for use on public highways.
(3) OUTDOOR STORAGE — The placing, maintaining or keeping in a place other than a building.
C. Outdoor storage of junk motor vehicles or motor vehicle parts is prohibited, except as permitted in a licensed salvage yard or automobile service or body repair shop as per Chapter 62 and Section 98-38.
D. Exceptions. Excepted from this section and exempted from its requirements are the following:
(1) Temporary storage of an unregistered motor vehicle owned by the property owner, for no more than 180 days in a calendar year.
(2) A motor vehicle being advertised for sale, for a period of no more than 60 days.
(3) Motor vehicles kept and stored by commercial establishments on their own property for the purpose of removing parts therefrom for use in vehicles used in their regular course of business.
(4) Motor vehicles kept and stored by duly licensed and operating vehicle repair shops and garages, upon the premises where said business is conducted, and which are currently being repaired for the purpose of placing the same back into legal operation upon the public highways.
(5) An antique or classic automobile, provided that in the opinion of the Zoning Administrator such automobile is stored and kept under conditions not constituting a public nuisance or an attractive nuisance.
(6) Any motor vehicle owned by a person currently on active duty in any of the Armed Forces of the United States or the State of New York, provided that said motor vehicle is kept and stored on property owned by said person or his spouse’s immediate family and such storage does not constitute, in the opinion of the Zoning Administrator, a public or attractive nuisance.
(7) Any motor vehicle owned or operated by a member of the family occupying said premises, who is a full-time occupant of the premises and who is attending school on a full-time basis, provided that said exemption shall be limited to the period from September 1 through May 30 or for the length of the school term, whichever is shorter, and further provided that this exemption shall not apply to any recreational vehicle, pickup truck or commercial vehicle. The exemption under this section will only be granted upon application by the owner of said vehicle with proof of ownership, proof of prior registration and proof of attendance at school. **SECTION 5. SUPERSESSION.**
This local law supersedes Local Law 19 of 2001. Also, it is the intent of the Town Board to supersede any provisions of the New York State Law to the extent that they may be inconsistent with the provisions of this local law. **SECTION 6. SEVERABILITY.**
If any provision of this local law is held invalid for any reason by a court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions of this local law. **SECTION 7. EFFECTIVE DATE.**
This Local Law shall become effective immediately upon is filing in the Office of the New York State Department of State.

GIVE BLOOD GIVE LIFE

Who needs blood?

Under normal circumstances, every two seconds someone in America will need a blood transfusion. Blood transfusions are used for trauma victims - due to accidents and burns - heart surgery, organ transplants, women with complications during childbirth, newborns and premature babies, and patients receiving treatment for leukemia, cancer or other diseases, such as sickle cell disease and thalassemia.

institution which has commenced foreclosure proceedings against the subject property, a referee of foreclosure or a real estate broker or any other person exercising implied or express control of the premises, to be determined on a case-by-case basis.

PROPERTY OWNER — The person, individual, business, partnership, firm or corporation whose name is listed as grantee on the last deed of record for the property recorded with the Dutchess County Clerk.

UNOCCUPIED — Lack of habitual presence of human beings.

VACANT — Any land, structure, building or portion thereof which, except for seasonal absence, is unoccupied or unused for a period of two consecutive months or longer.

§ 96-4. Property and landscaping maintenance.
The owner or person in control, as the case may be, of any property subject to this chapter shall maintain his/her lawn trimmed to a height of no greater than 10 inches.

§ 96-5. Penalties for offenses.
A violation of this chapter is hereby declared to be a violation punishable by a fine not exceeding \$1,000 or by imprisonment for not to exceed 15 days, or both. Each week's continued violation shall constitute a separate additional violation.

§96-6.Enforcement.
A.Enforcement official: The Building Inspector and Zoning Administrator are hereby designated as the officials authorized to administer and to enforce this chapter. Where the term Building Inspector is used herein, either the Building Inspector or Zoning Administrator may carry out the specified procedures.

B.Compliance orders:
(1)The Building Inspector is authorized to order, in writing, the remedying of any condition or activity found to exist in, on or about any premises in violation of this chapter. Upon finding that any such condition or activity exists, the Building Inspector shall issue a compliance order.

(2)The Building Inspector shall cause the compliance order, or a copy thereof, to be served by at least one of the following methods.

(a)Personal service upon the owner or per-

son in control of the property or premises;

(b)Mailing by registered or certified mail to the owner or person in control of the property or premises; or

(c)Posting a copy of the compliance order upon the front portion of the property or upon the main structure and mailing a copy of such notice by certified or registered mail to the owner of the property at the address shown on the current assessment records of the Town or the person in control of the property.

(3)The compliance order shall:

(a)Be in writing;

(b)Be dated and signed by the officer;

(c)Specify the condition or activity that violates this statute;

(d)Specify the provision or provisions of this statute which is/are violated by the specified condition or activity;

(e)Specify that such violation must be corrected or abated within seven days of the date of service; and

(f)State the appropriate consequence for failure to correct or abate the condition or activity within the specified period of time, as set forth in Section 6(C).

(4)The date of service of a compliance order issued pursuant to this section shall be the date of personal service or 10 days following the date of mailing, whichever is applicable.

C.Compliance; correction or removal by town.

(1)Any owner or per-

Legal Notices

son in control of any property or premises which has been determined to be in violation of the requirements of this statute shall cure, abate, correct or remove such violation, when ordered to do so by the Building Inspector, within seven days of the service of a compliance notice as provided above.

(2)In the event that the owner, tenant or person in control of any such premises shall fail to comply with the compliance order, as set forth in Section 6(B), the Building Inspector shall make an inspection of the property and report his or her findings to the Town Board.

(3)The Town Board, after review of the report, may take any, or all, of the following action(s):

(a)Provide authorization to the Building Inspector and/or the Attorney to the Town to institute appropriate legal action in a court of competent jurisdiction, seeking civil and/or criminal remedies for the violation(s);

(b)Take all necessary steps to correct or remove the violation, either by Town of Pleasant Valley employees or by the Town's designee or agent, including a private contractor; to mow or trim the lawn or mow the ground cover which violates the provisions of this chapter.

(4)The owner or person in control of the property shall be responsible to reimburse the Town of Pleasant Valley for

costs and expenses incurred in abatement of the violation. Such costs and expenses shall include the necessary and reasonable attorneys' fees incurred by the Town in prosecuting the violation and necessary and reasonable administrative costs of enforcement, as prescribed in the Town's Fee Schedule. In the event of failure to reimburse the Town for such costs, the following shall apply:

(a)The Town may seek recovery of such costs by action venued in a court of appropriate jurisdiction, and the defendant(s) shall be responsible for the reasonable and necessary attorneys' fees expended by the Town in prosecuting such action.

(b)Alternatively, and at the sole discretion of the Town, a default in reimbursement of costs incurred by the Town shall be remedied by charging such sums against the real property which is the subject of the violation, by adding that charge to, and making it a part of, the next annual real property tax assessment roll of the Town. Such charges shall be levied and collected at the same time and in the same manner as Town-assessed taxes and shall be paid to the Town, to be applied in reimbursing the fund from which the costs were defrayed for the corrective or abatement action.

(5)The removal or correction of any violation

by the Town of Pleasant Valley or its agents shall not operate to excuse such owner, tenant, occupant, managing agent or person in control from properly maintaining the property or premises as required by this chapter in the future.

SECTION 5. SUPERSESSION.
It is the intent of the Town Board to supersede any provisions of the New York State Law to the extent that they may be inconsistent with the provisions of this local law.

SECTION 6. SEVERABILITY.
If any provision of this local law is held invalid for any reason by a court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions of this local law.

SECTION 7. EFFECTIVE DATE.
This Local Law shall become effective immediately upon its filing in the Office of the New York State Department of

Beacon Elks to commemorate 9/11

The Beacon Elks Club #1493 will commemorate 9/11 on Sunday, September 11, at 11 a.m. at the Beacon Elks Lodge, 900 Wolcott Avenue, Beacon. This event is open to the public and there is no need to RSVP.

This annual observance, conducted by the Beacon Elks to remember those who were injured, died and responded during the terrorist attacks in the United States on September 11, 2001.

“The Elks will ‘Never Forget’ those who were injured or died and the first responders and heroes that ran toward the danger, and the American spirit that prevailed over this tragic day,” said Jennifer Valez, Exalted Ruler, Beacon Elks Lodge #1493. “The light of their spirits combined with America’s resilience is the reason we commemorate people we have never met.”

The Beacon Elks 9/11 Memorial includes a 15-foot piece of World Trade Center steel, in a grassy field, surrounded by a concrete pentagon – all commemorating the locations affected by the attacks.

Pellegrino Healing Center sets clinic for 9-11 remembrance

Pellegrino Healing Center in Hyde Park will be hosting a group acupuncture clinic for PTSD & Nervous System Regulation in their new building on Saturday, September 10 from 3-4 p.m.

This clinic will be led by Sharon Zeiss, MS, L.Ac., a licensed acupuncturist who brings extensive holistic healing experience to the Pellegrino community, working in the wellness world for more than 30 years. She is state board certified in acupuncture and herbal medicine and has completed postgraduate studies in the fields of functional nutrition, mindfulness practices, and herbal medicine with an emphasis on brain and inflammatory conditions.

This clinic will focus on those suffering from PTSD and anyone looking to reduce stress and calm the nervous system. Since September is a time when our nation and our state sits in remembrance of what happened on 9/11, many feel emotionally triggered and are in need of additional support this month.

This clinic is open to anyone who is looking to calm and regulate the nervous system, address afflictions such as addiction and sleep disturbances, and reduce and release symptoms associated with PTSD including anxiety, stress, panic, and mental distress.

For more information, call Pellegrino Healing Center at 845-233-5672.

Prostate Cancer Walk to raise funds for patients, awareness on early detection

Local residents are invited to participate in the 2022 Premier Cares Foundation Prostate Cancer Walk. This family friendly, community event will take place from 9:30 a.m. until noon on Sunday, September 18, at Eastdale Village in the Town of Poughkeepsie.

This unique charity walk will meander through a scenic 1-mile path through the grounds of Eastdale and past the Lutheran Care Center. Participants will receive complimentary refreshments, a commemorative t-shirt and tote bag, tons of giveaways, and prizes. Local favorite, The Band Hudson will perform, and the famous Queen City Dancers will dazzle the crowd at the walk’s half-way point.

“September is Prostate Cancer Awareness Month, and there is an urgent need for prostate cancer support, education, advocacy, and awareness here in the Hudson Valley and across the country,” said Dr. Evan Goldfisher, a urologist and President of the Premier Cares

Foundation Board. “This year alone, nearly 250,000 men will be diagnosed with prostate cancer. With early detection, however, Prostate cancer is one of the most curable types of cancer when detected in the early stages.”

The Prostate Cancer Walk invites the community to honor those who have battled prostate cancer, remember the lives that have been lost, and help people who will be diagnosed in the future. Premier Cares Foundation provides support, awareness, education, and financial support to those individuals in our community lacking sufficient funds to address significant urologic and digestive health issues.

Tickets to the 13th annual Prostate Cancer Walk are \$25 per person and children under 10 are free. Advance registration is required.
