Vol. 74, #44 75 cents Fishkill, East Fishkill, Wappingers Falls, Town of Wappinger, Town and City of Poughkeepsie October 29-Nov. 4, 2025

ELECTION DAY IS TUESDAY, NOVEMBER 4

Cavaccini seeks another term in Wappinger with no opposition 4 board seats on the ballot

Compiled by Kristine Coulter Town of Wappinger Supervisor Joseph Cavaccini is seeking re-election. He was first elected in 2023 to the supervisor position. Cavaccini, a Republican, has no opposition on the ballot in November. All 4 Ward seats are on the ballot for the Wappinger Town Board. Incumbent William Beale, who represents Ward 1, and newcomer Sara Sheehan for Ward 2, are running on the Republican and Conservative lines. Incumbents Christopher Phillips, for Ward 3, and Al Casella, for Ward 4, are running again on the Republican line. On the Democratic line, for Wards 1-4 are: Samtreo Tucker, Heather O'Dell, Robert Cofer Jr. and Linda Ibrahim. Tucker and O'Dell are also on the Working Families line. Candidates were emailed questions. The questions and their responses follow.

Joseph Cavaccini

Cavaccini runs for 2nd term 1. What do you consider your 2 biggest accomplishments this term? "One of the first things I focused on when taking office was bringing accountability, efficiency, and transparency back to Town Hall. We looked closely at how every dollar was being spent and how we could better manage our resources for the taxpayers. One of the most significant steps was diversifying our town's fund depositories, which allowed us to finally earn interest on previously idle funds. That change alone is now generating nearly \$600,000

in new revenue every year — that's real money staying right here in Wappinger. Out of our \$21million operating budget, we only levy \$9million onto property taxpayers, this is done by our administration finding and creating alternate forms of revenue and cutting government waste. We also modernized how the town operates. By introducing integrated financial and management software through Tyler Technologies, we've reduced outsourcing, improved interdepartmental efficiency, and saved taxpayers more than \$30,000 annually.

D'Alessandro runs for re-election in East Fishkill, no opponent 4 on ballot for 2 town board seats

Compiled by Kristine Coulter Nick D'Alessandro, who is seeking another term as Town of East Fishkill Supervisor, has no opponent on the ballot. He is on the Republican and Conservative lines. There are 2 East Fishkill Town Board seats voters will decide. Current members Thomas Franco and Emanuele Marinaro are seeking re-election on the Republican and Conservative lines. Francine Caracappa and Johnathon Falcone are running for office on the Democratic line. The following are responses received from the candidates, in alphabetical order, starting with the incumbents.

Nick D'Alessandro

D'Alessandro runs for supervisor position again What do you consider your 2 biggest accomplishments this term? The first accomplishment of this term would be completing and adopting a new Comprehensive Master Plan for East Fishkill. This endeavor took two years to complete. The process started in September of 2023 and was adopted and completed September 2025. The last Comprehensive Plan was over 22 years old and usually they should be done every 10-15 years. This is a very intensive and important endeavor, which utilizes many resources and has to be done correctly. So this was a huge accomplishment for the Town. The second accomplishment of this last term was continuing to implement the East Fishkill Economic Development Policy which successfully lured addition-

al Fortune 500 companies to build new facilities in East Fishkill. These additional new facilities has brought the total of new development to East Fishkill, since I am the Town Supervisor, to over \$700 million. East Fishkill leads Dutchess County the past 8 years in new Economic Development, which not only helps our Town but the entire County and the entire Hudson Valley Region. What are the top 2 goals for your next term for the Town of East Fishkill? The East Fishkill Veterans Council has been in the midst of planning our new East Fishkill Veterans Memorial Park. 4 running for 2 seats on Fishkill Town Board

Compiled by Kristine Coulter There are 2 Fishkill Town Board seats on the ballot this year. On Election Day, Tuesday, Nov. 4, voters will head to the polls from 6 a.m. to 9 p.m. to choose their candidates. The following are the candidates on the ballot for the Fishkill Town Board. They were emailed two questions, and their responses follow, beginning with the incumbent, Jacqueline Bardini, and then in alphabetical order. Jacqueline Bardini - Democratic, Working Families, United Fishkill lines 1. What 2 accomplishments are you most proud of from this term? I'm very proud to say I back the blue. The town and the PBA negotiated a fair contract, which continues to provide our town with an awesome full time Police Department at part-time expense to taxpayers. I voted to block consolidation of the Blodgett and Glenham water districts. The outcome is that the town

has additional leverage with developers who must negotiate with us and which promotes smart development, not overdevelopment 2. What is your number one goal for the next term, if re-elected? I'd continue to support our rich history as we move into another Independence Day. Being the deciding vote to erect the statue of Chief Daniel Nimham was just the start. Next year, we will have a "passport" which directs people to landmarks throughout the town. Get a stamp at all locations to collect a commemorative pin! I also want to continue to work with Highway/Grounds Departments to maintain our upgraded parks. I previously earmarked money for outdoor spaces, and we now have parks that are the envy among surrounding municipalities, and which include kayak ramps, pickleball courts, and a sensory park.

Ukrainian women set 100th-year celebration November 2

By Alexander Tsahalis

For 100 years, the Ukrainian National Women's League of America (UNWLA) has been a place for Ukrainians to meet others like them and share their culture with their communities. To celebrate this milestone, a local branch will be hosting a celebration of Ukrainian women on Sunday, Nov. 2 at Locust Grove in Poughkeepsie from 11 a.m. – 5 p.m. The suggested donation for admission is \$20.

Over the past 100 years, the UNWLA has grown to 63 branches across 14 states. These branches work to "Promote and develop educational and cultural efforts and provide humanitarian assistance to Ukrainians worldwide." Branch 95 Poughkeepsie-Kerhonkson is living up to this mission and has planned an afternoon of art, music, food, and more.

The event is the brainchild of Ulana Salewycz, an artist and art therapist of Ukrainian parentage. "I decided we should show off our culture as much as possible," says Salewycz. The cultural immersion begins as soon as you walk in, as the walls feature paintings from across the last century, giving viewers the chance to see works by older female masters and their contemporaries side by side.

During the event introduction, two poets will read the poem "Hope" by Leysha Ukrainka in Ukrainian and in English. Later on, the poets will also read some of their own works. There will also be a demonstration of petrykivka by Vitalia, a refugee from Kyiv. "Petrykivka originated in a village of the same name. The village was founded by Ukrainian warriors called Cossacks who wanted independence for Ukraine," said Salewycz. These values became associated with the art of the village, and Petrykivka

Above: Vitalia Deriabina with the “Tree of Life” painting. Right: Sofika Zielyk with hand-decorated Easter Eggs.

became associated with Ukrainian independence. Other artists include a weaver, a bandura player, and a woman who specializes in pysanka, a type of decorated Ukrainian Easter Eggs. Ceramics, carved wooden candle holders, and embroidery will also be on display. There will also be foods such as

borscht and traditional pastries.

As the war in Ukraine rages on, the UNWLA is using the celebration as a chance to raise awareness and funds for those in need. "There are millions of Ukrainians who were forced to flee their homes," said Marianna Zajac, the former national presi-

dent of the UNWLA. "It's a tragic situation."

The Ukrainian struggle for recognition goes back hundreds of years and even indirectly led to the founding of the UNWLA. "It formed after a group of Ukrainian women went to Washington, D.C. for a meeting of a congress of the international women's organizations, and were rejected because Ukraine was a part of the Soviet Union and not an independent country," says Zajac. One way money will be raised is through a silent auction. The auction will have artwork made by Ukrainian children and has been organized by teachers from Wallkill.

Douglas DelliPaoli – Republican, Conservative lines

1. What experience will you bring to the office that will help you represent the people of Fishkill?

I bring a lifetime of proven leadership, discipline, and service. As a Marine Corps veteran, I graduated platoon honor graduate and was meritoriously promoted to Lance Corporal out of boot camp, which instilled in me the values of integrity, accountability, and commitment to others. In my civilian career, I have spent over 30 years as a general manager in the hospitality industry, where I've led teams, managed complex operations, balanced budgets, and delivered results in every capacity. These experiences have given me the skills to listen to people, solve problems effectively, and lead with both strength and fairness. In addition, I have faithfully served on the Town of Fishkill Zoning Board of Appeals for well over 2 years.

2. What is your number one goal for the next term, if elected?

My top priority is to ensure that Fishkill remains a strong, thriving community where families, businesses, and neighbors can succeed together. That

means keeping taxes responsible, improving infrastructure, and supporting local businesses, while always making sure that the voices of Fishkill residents are heard and represented.

Just as importantly, I am committed to protecting our natural resources by safeguarding our aquifers and being mindful of overdevelopment, so growth happens responsibly without compromising the quality of life for our residents. My goal is to put people first and make decisions that reflect the needs and values of our community.

Don Przytula - Democratic, Working Families, United Fishkill lines

1. What experience will you bring to the office that will help you represent the people of Fishkill?

The two things that I would bring to the Town Board are (1) a love and respect for the town as demonstrated by my volunteering on the Town's Comprehensive Plan Committee. Through my involvement on that committee I learned about the residents' concerns as well as the fragility of our Town's water systems. I want to assure that residents' concerns are addressed, and our aquifer is protected.

(2) As a retired public education administrator, I have the time and the skill to

research and understand the many complex issues facing our Town.

2. What is your number one goal for the next term, if elected?

If elected, one of my biggest concerns is over-development as it will impact all infrastructure in the town as well as our schools. How much more development can our schools, water and roads handle?

Rebecca Tompkins – Republican, Conservative lines

1. What experience will you bring to the office that will help you represent the people of Fishkill?

As a 33-year resident and a 27-year employee, beginning in our wonderful Recreation Department and ending with 13 years as your Deputy Town Clerk and 8 years as your Elected Town Clerk, with the Town of Fishkill, I will bring decades of historical knowledge. I have been a witness to our town's growth and change. I bring with me education and experience.

During my tenure in the Clerk's office, I have worked hard to achieve many educational designations. I am a Registered Municipal Clerk, a Certified Town Official, I hold a Master's of Municipal Clerk, also an Athenian Fellowship through the International Institute of Municipal Clerks, and sit on their

Records Management committee. I am now an Athenian Dialogue Facilitator. I have held the position of President of the DC Town Clerk's Association. I am a New York State Town Clerk's Assoc. Regional Director, and sit on a few of their committees. I am also a Notary Public and a graduate of the DC Regional Chamber of Commerce's Leadership Dutchess program.

I have a life-long commitment to community service, not only supporting the Town of Fishkill, but also the Greater Hudson Valley.

I have brought honesty, transparency, dedication, integrity and leadership to the office of your Elected Town Clerk.

2. What is your number one goal for the next term, if elected?

If elected to the town board, I have my eyes set on a few goals for my term. One of my top goals is to preserve our parks and open spaces and help guide smart growth in the community. Fiscal stewardship is highly important to me, prioritizing what matters to our families before politics. I also prioritize supporting our Police and Emergency Services to help keep our residents safe.

Supports Beale for Wappinger Town Board

To the Editor:

Councilman William Beale has served the Town of Wappinger as an elected councilman since 2007. As the senior council member on the Board, he has served alongside six different town supervisors and has been appointed deputy supervisor on multiple occasions.

Outside his town role, Councilman Beale works full time as the Commissioner of Dutchess County’s Department of Emergency Response, responsible for public safety county-wide. When not working, he volunteers for the Hughsonville Fire Department as a fire-fighter and EMT.

When preparing for town events, such as Community Day, Councilman Beale uses his expertise in emergency management to ensure there is a safety plan for each event. He coordinates all police, fire, and emergency medical services coverage and oversees the execution of the plan.

Most importantly, during an emergency at my residence, Councilman Beale was the first one to arrive. Councilman Beale goes above and beyond for our community.

On Tuesday, November 4th, please join me in supporting Councilman William Beale.

Truitt has the ‘right priorities’ to be comptroller

To the Editor:

I am writing to offer my strong support of Will Truitt, a personal acquaintance, for Dutchess County Comptroller. Will has the right experience for the job. He graduated from Marist College with a degree in Accounting and Finance. He currently is a financial manager for a successful family-owned commercial construction company in southern Dutchess County.

Will was first elected to the Dutchess County Legislature ten years ago while a college student. Previously an intern for former County Executive Marcus Molinaro, Will rose to become Chair of the Budget Committee and in 2023 his fellow legislators elected him Chairman of the full County Legislature. As Chair he crafted a budget last year that garnered strong bi-partisan support by virtue of an unprecedented 23-2 vote, with eight Democrats joining the Republicans. One might think that our representatives in Washington could learn a thing or two from Will’s efforts!

Since his first election at age 20 in 2015, Will has for 10 straight years delivered for the residents of Dutchess County with property tax rate cuts, a healthy fund balance maintained year

in and out, the highest county bond rating (AA+) in all New York State, and an emphasis on public safety through investment in the Sheriff’s Office. These are some of the reasons he is endorsed by the Teamsters Local #445 and the Hudson Valley Building and Trades Council.

I am voting Will Truitt for County Comptroller. He has the right priorities and will continue demonstrating energetic and excellent service in the public interest.

‘Consider voting for’ Caracappa and Falcone in East Fishkill

To the Editor:

My wife and I have lived in East Fishkill for 52 years and have loved the life we have made. But recently there has been a noticeable decline in the qualities of life that attracted us to build a home and raise our family. One party rule is never a good thing. The result has been traffic nightmares throughout town, Route 52 near John Jay H.S. is becoming a tractor trailer freeway, our beautiful Hopewell Rec becoming part of the Dutchess County Rail Trail, a major rental housing project on route 82 and many more to come in the near future. In short, you haven't seen anything yet.

In 2006 - 2007 a republican, conservative and democrat were elected and, working together, put a town wide building moratorium in place in order in pass laws protecting our wetlands and steep slopes. In short they sought to protect the natural beauty of East Fishkill and were successful until recently when a new administration had a philosophy of “build it and they will come.” Well, they are building and they are coming. Time is short folks and the time is now to put new people on the board.

So on November 4th consider voting for Fran Caracappa, a CPA and Johnny Falcone, a Graphic Artist. Both of these long time residents are committed to our community and addressing the many quality of life issues that this board has totally neglected to protect. Our town needs fresh ideas and voices, which Fran and Johnny will provide.

Proven leadership, real results for Wappinger

To the Editor:

The Town of Wappinger Town Board is delivering real results, investing in parks and infrastructure, restoring accountability to government, and keeping our town one of the most affordable in Dutchess County. This is the kind of leadership that gets things done.

Supervisor Joseph Cavaccini and the Town Board—Councilman William Beale (Ward 1), Sara Sheehan (candidate for Ward 2), Councilman Chris Phillips (Ward 3), and Councilman Al Casella (Ward 4)—are working tirelessly to preserve what makes Wappinger special while building a brighter future for every family. From protecting neighborhoods from overdevelopment to improving local parks and supporting public safety, they’ve shown what responsible, community-focused government looks like.

At the county level, Legislators Robert Faust and Lynne Miele-Versaci, along with candidate Kevin Giles, have been essential partners in advocating for Wappinger—delivering resources, standing up for taxpayers, and strengthening local quality of life.

Wappinger is moving in the right direction. Let’s keep it that way by re-electing this team as well as their county partners who are proving that common sense government makes a difference.

Lifelong Wappinger resident supports Cavaccini and Sheehan for election

To the Editor:

I’m proud to support Town Supervisor Joseph D. Cavaccini for re-election and Sara Sheehan for Town Council in Ward 2. Under Supervisor Cavaccini’s leadership, Wappinger has become the most affordable town in Dutchess County while improving roads, parks, and critical infrastructure. His administration brought accountability and efficiency to Town Hall, generating hundreds of thousands in new annual savings for taxpayers. He’s also led the Wappinger Protection Act to prevent overdevelopment and keep our community safe and strong.

Sara Sheehan will be a fierce advocate for these priorities — protecting our neighborhoods, supporting public safety, and ensuring Wappinger continues to thrive. Together, they represent a team that delivers real results, not empty promises.

Let’s keep Wappinger moving forward — re-elect Joseph D. Cavaccini and elect Sara Sheehan on Election Day.

Keep Kelly Tremper Receiver of Taxes for Town of Poughkeepsie

To the Editor:

I would like to express my support for Kelly Tremper for the Town of Poughkeepsie Receiver of Taxes. I first met Kelly years ago while I was out gathering petitions when I first became a member of a political committee. I recognized her from years ago as our sons played little league together. She was someone I chose to become my deputy Town Clerk in late September 2013 shortly before I took office as your Town Clerk. She was appointed the Receiver of Taxes in January of 2021, as Karen Schubert retired. The Receiver of Taxes is not an easy job and with upcoming reassessments and water billing troubles I respectfully suggest keeping Kelly, someone with experience in that position. - She comes from a banking background, was the treasurer for her church for many years and is someone who I would gladly have keep track of any of my balance sheets. She is personally responsible for all monies collected and must follow many NYS mandates and I am here to say she is the most qualified person to continue in this position

Rebuttal on Fishkill property

To the Editor:

Responsive to a claim made in the editorial section of your edition dated Oct. 22, I respectfully provide the following in rebuttal:

In a recent sworn deposition, an attorney representing Mr. Broccoli questioned me on the position of the Friends’ group concerning the 14 unmarked burials located on Mr. Broccoli’s property. I responded (in summary) that neither Mr. Broccoli nor I were in Fishkill at the time of the Revolutionary War and that no one can say with 100% certainty that the burial ground on Mr. Broccoli’s property contains soldiers’ remains. I then followed that simple

This will be a brand new park on approximately 5 acres. The Town Board has dedicated \$500,000 to kick this project off. We are almost completed with the architectural plans and will begin with clearing the lot, which is located across from Town Hall. We have also started applying for Federal and State grants. Our goal is to get the necessary funding in place and get this beautiful new park completed. We will also be applying for our Purple Heart status for the Town of East Fishkill.

Continue the good record of Economic Development for East Fishkill. We have a proven successful history the past 8 years and want to continue to grow from here. Our Economic development policies have proven to offset tax increases for our residents and that's the job that I am hired to do, keep East Fishkill's taxes as low as possible. East Fishkill has the lowest tax rate in Dutchess County with a full time police department.

**Responses from Board candidates
Thomas Franco – Republican,
Conservative lines**

What 2 accomplishments are you most proud of from this term?

One of the accomplishments I'm most proud of this term is keeping East Fishkill's tax rate the lowest in the county while maintaining top-quality services, including a full-time police department. This balance is not easy to achieve, especially with rising costs, but it reflects the strength of our leadership and the dedication of our town employees. Every department—from highway to public safety—works hard to find efficiencies and creative ways to stretch taxpayer dollars, ensuring residents receive the high level of service they deserve.

I'm also very proud of the progress we've made on the East Fishkill Veterans Memorial Park. This project has been years in the making and holds great meaning for our community. We've formed a Veterans Committee, secured a site across from Town Hall, completed the design, hired consultants and architects, and finished environmental and DEC reviews. We are now ready to move forward with building a lasting tribute to the men and women who served our

country—an enduring symbol of East Fishkill's gratitude and respect for our veterans.

2. What is your number one goal for the next term, if re-elected?

My top priority for the next term is to continue easing the tax burden on our residents while keeping East Fishkill a great place to live and raise a family. Every year, municipalities face growing financial pressures—rising costs for pensions, healthcare, and essential services make it more challenging to keep budgets in balance. But instead of waiting for problems to arise, we've made it a point to plan ahead, anticipate economic changes, and make thoughtful, responsible decisions that protect taxpayers.

Under Supervisor D'Alessandro's leadership, our board has focused on running government efficiently and finding innovative ways to save money without sacrificing the quality of life our residents expect. Whether it's through shared services, smart budgeting, or creative partnerships, we've shown that responsible management can deliver real results.

In the next term, we'll keep building on this foundation—looking for new ways to cut waste, attract responsible economic development, and invest in the future of our community. Our goal is simple: to make sure East Fishkill remains affordable, well-managed, and financially strong for generations to come.

**Emanuele Marinaro – Republican,
Conservative lines**

1. What 2 accomplishments are you most proud of from this term?

[I have] been able to rehabilitate the Hillside Lake in the community by the use of grants which spurred the growth of real estate sales and revamping of properties.

2. What is your number one goal for the next term, if re-elected?

During the next term, I will continue to keep spending under control where possible, so our local seniors will not incur additional taxes while enjoying great quality of life.

**Francine Caracappa - Democratic line
What experience will you bring to office that will help you represent the people of East Fishkill?**

As residents, we all want to know that

our tax dollars are being managed wisely, transparently, and ethically. One way to strengthen public trust is by electing leaders who bring proven professional expertise to the table. While I am a proud 35-year resident of East Fishkill, professionally I am a Certified Public Accountant (CPA) and a Certified Fraud Examiner (CFE). This professional expertise is precisely what our town board needs at this critical time and is exactly the expertise I bring to the table.

As a CPA, I offer a deep knowledge in budgeting, forecasting, and financial reporting—ensuring that every dollar is allocated responsibly. I can help the town prevent waste, prepare for state reviews, and make sound long-term financing decisions on projects like infrastructure or community programs. In addition, providing oversight as the Comprehensive Plan is kicked off is paramount.

My CFE credential, on the other hand, provides me with skills in preventing and detecting fraud, waste, and abuse. I intend to apply my experience in overseeing the procurement process to ensure safeguards in purchasing and I will work to strengthen compliance in all aspects of Town activities.

2. What is your number one goal, if you get elected?

My number one goal on the town board would be to safeguard taxpayer resources by ensuring every decision is financially responsible, transparent, and made with the community's long-term interests in mind. I have dedicated my career to exactly these goals and principles.

Together, my professional expertise and accompanying credentials can provide the Town Board with independent, data-driven oversight, transparency, and accountability. More importantly, my experience will give you confidence that decisions are being made, not from political motivation, but out of professionalism and ethics. As taxpayers, we deserve nothing less than this level of stewardship over our community's future. It's time to move beyond one vision and one voice so that all residents can be represented. For my neighbors and the community at large who agree, I appreciate your support at the polls on November 4th.

Johnathon Falcone - Democratic line

1. What experience will you bring to the office that will help you represent the people of East Fishkill?

I've spent my career leading creative teams and teaching college students, and both have taught me a lot about people. I've learned how to listen, balance different perspectives and personalities, and keep things moving towards a shared goal.

On every team I've been a part of, whether an animation studio, a classroom, or even my college baseball team, I know how important it is for people to feel seen, heard, respected, and focused on a common goal.

Our common goal is the future of East Fishkill. At the end of the day, no matter what may set us apart from each other, East Fishkill is home to all of us, and we're invested in the same future.

I'm not a career politician. I'm a teacher, artist, husband, but most of all a neighbor who wants to do right by his community. The same way I've always looked out for my team at work and my students in the classroom, I am ready to step up for my community and make sure everyone who wants a voice in our local government can and will have one.

2. What is your number one goal, if elected?

My immediate goal is to make our town government more open, accessible, and connected to the people it serves.

Many of my neighbors have said they feel out of the loop even though they'd love to be more involved. After work, family, and everything at home, they feel there's just no time left to drive to a town board meeting, or go searching online through an outdated website for information.

We need to modernize how we run our meetings and how we communicate with our town. We need to modernize how we run our meetings and how we communicate with our town. We want a Town Board that values two-way communication and will meet the people where they are. One that WANTS to speak to us and get our input on the issues.

Everyone in our town should feel informed, included, and appreciated, and I'm excited to find creative and modern solutions to make that happen.

Dutchess County Legislature, District 13

Editor's note: In our presentation of candidates for the Dutchess County Legislature last week, we missed providing information on Michael Kuzmicz in District 13. His information is given below.

**Michael Kuzmicz - Conservative
Party, Freedom Party
Dutchess County Legislature District
13, East Fishkill and Wappinger
Please give your background and why you are running for election.**

I am a former Councilman from the town of Wappinger & Assistant District Attorney, I have experience & academic degrees in government, business, law and taxation and seek to use this experience in serving the people of the #13th legislative district to instill fiscal responsibility in

county government and maintain the quality of life for the taxpayers, seniors, veterans, woman & children as I have done in my prior roles as councilman & Assistant District Attorney, and liaison to the town of Wappinger recreation committee in the past. This is a pivotal time for our county and state and we need someone with the qualifications and experience to begin serving the people of #13th legislative district from day one without any learning curve. My goal is to use my qualifications and experience to make the great towns of East Fishkill & Wappinger in the #13th legislative district an even better place to live.

What do you see as the main issues in the county and in your area in particular?

There is a need to maintain the quality of

life in our district while doing so with fiscal responsibility. Many of our residents are seniors with fixed incomes and find it difficult to keep up with rising costs. As someone who has assisted in tackling these rising costs while instilling fiscal responsibility & maintaining the quality of life in my former role as councilman for the town of Wappinger, I seek to continue this on a county level. Moreover, I have seen in my various roles as a Councilman and Assistant District Attorney how the government can assist women, children and veterans & I seek to make this a priority in my role as a Dutchess County Legislator. We are at a point where the government needs to be run more efficiently in order to achieve these goals and I will work from day one using my experience to help achieve these goals.

We've also reimagined how we operate our Town's Recycle Center from it losing \$300,000 per year to the Town processing its waste inhouse with the purchase of a new rolloff truck. This allows us to operate this facility responsibly and keep costs down for our residents.

The overall goal has been simple: eliminate waste, tighten operations, and make sure every tax dollar is working harder for our residents. Fiscal discipline isn't just about numbers — it's about trust. By being transparent and proactive, we're rebuilding confidence in local government."

Another major priority of mine has been improving the quality of life for our residents through investment in our parks, infrastructure, and the protection of open space.

For the first time in nearly 25 years, the Town of Wappinger expanded its park system by acquiring a new property at 2513 Route 9D — a big step forward for recreation and community use in offering a new accessible entrance to Reese Park Town Nature Preserve.

Through the Wappinger Parkland Infrastructure Improvement Act, we funded long-overdue park upgrades — from new lighting and the creation of a Vietnam War Memorial Plaza at Martz Field, the construction of our new live performance stage and Walk of Heroes at Brexel-Schlathaus Park, to building new playgrounds at Castle Point Park and Fleetwood Park, rebuilding the Chelsea Boat Ramp after 40 years of deterioration, to paving at Rockingham Park, restoring Spook Hill Park, and even activating a long-dormant wellhead at Airport Park to finally bring water to our soccer fields.

At Carnwath Farms, we've reinvested there and opened "The Chapel" a new events venue which has already seen a host of private and community events this year with a number scheduled for 2026. This is another example of indentifying alternate forms for revenue for the town. We expanded community agriculture to 10 acres and added conservation easements to protect farmland and open space. These initiatives preserve the small-town charm and natural beauty that make Wappinger special while creating new opportunities for recreation, community gatherings, and local pride.

When I came into office, I made it clear that protecting the character of Wappinger was non-negotiable. We're proud of our community — and we intend to keep it that way.

That's why, within my first 100 days, we launched the Wappinger Protection Act, a

legislative package focused on preserving the town's suburban-rural character and maintaining smart, sustainable growth.

We also passed a moratorium and subsequent code changes preventing large-scale multi-family housing developments to ensure that infrastructure, schools, and emergency services can keep up before we allow any new major projects to move forward. In doing so, we prevented 5,000 units from coming into our single family zoned areas, a problem you will never have to see.

In addition, I established the Quality-of-Life Task force within our Code Enforcement Office to tackle issues like unsafe buildings, blight, and illegal signage. One of our early actions was ordering the demolition of long-abandoned and unsafe properties across the Town — a visible example of our commitment to keeping neighborhoods clean and safe.

At the end of the day, this is about balance. We welcome progress, but it has to be responsible. My job is to make sure that as Wappinger grows, we're doing it in a way that protects what residents value most — our neighborhoods, our open spaces, and our sense of community.

We've taken strong action to stop overdevelopment — now it's time to focus on the kind of growth that strengthens our local economy and supports the people who live and work here. My goal is to make Wappinger a place where small businesses can thrive and families can enjoy all the benefits of a modern, connected, and character-filled town.

2. What is your number one goal for the next term? In my next term, I want to make sure the progress we've made in our parks and operations extends to every corner of our town. That means investing in modern infrastructure — safer roads, efficient water/sewer plants, stronger drainage, and improved recreational facilities so our community continues to plan responsibly and sustainably. Let's continue the momentum here in our great Town of Wappinger!

4 Wappinger board seats on ballot
William Beale – Ward 1 – Republican, Conservative lines

1. What 2 accomplishments are you most proud of from this term?

First elected in 2006, I am the senior member of the Town Board, having worked with six Town Supervisors, serving as Deputy Supervisor within four administrations. During my tenure, I have ensured that town taxes remain as low as possible, under the 2% tax cap every single year since inception, keeping Wappinger among the lowest town taxes county-wide. During this most

recent term, my priority was to leverage the federal grant funding our town received, as a result of COVID, and create an incredible venue designed to bring our community together. After many months of planning, design and construction, our town's beautiful new stage was completed in time for Community Day. With additional grant funding still available, I asked for a dance floor to be created to complement the stage, and it is currently under construction. This entire project is being completed along with several other recreation and park upgrades at no additional cost to our town taxpayers.

2. What is your number one goal for the next term, if re-elected?

My goal in this next term is to further expand town programs and services for both Town and Village residents, and to explore shared services opportunities with the Village of Wappingers Falls in an effort to further save taxpayer dollars.

Samtreo Tucker – Ward 1 – Democratic, Working Families lines

1. What experience will you bring to the office that will help you represent the people of Wappinger?

As a passionate paralegal running for councilman, I am eager to leverage my legal expertise to drive economic growth for our town of Wappinger. With a background in zoning, criminal, real estate, elder, constitutional, and civil law, I have the skills to craft policies that enhance infrastructure, support small businesses, and improve our community's quality of life.

My vision includes strengthening our economy through my "Buy Local" initiative and the Business Improvement District plan, while also focusing on essential improvements to our roads and bus routes. These enhancements will facilitate commerce and ensure residents can easily access local businesses. Additionally, my commitment to environmental sustainability will lead us to adopt initiatives like composting to conserve green spaces.

I also advocate for responsible zoning practices, such as reinstating §240-52, which limits gasoline filling stations near residential areas. This approach will help maintain neighborhood integrity and protect residents' well-being.

By electing me, you are choosing a candidate who understands the legal landscape and prioritizes the economic, infrastructural, and environmental needs of our community. Together, we can build a prosperous and inclusive future for Wappinger.

2. What is your number one goal for the next term, if elected?

Looking ahead, my number one goal in the upcoming term is to stimulate economic growth through my "Buy Local" initiative and the Business Improvement District plan. These strategies will not only increase revenue for the town and village of Wappinger but also provide tangible support for our small business owners and residents. I am an active member of the Wappinger Falls Business and Professional Association, and through my background in business law and grant writing, I will work diligently to create a thriving Business Improvement District. This initiative includes partnering with local businesses to offer discounts to Wappinger

residents one day a week, fostering a sense of community, and encouraging residents to shop local.

Together, we can strengthen our economy, support our small businesses, and ensure that our community remains a vibrant place to live and work. Let's unite in this effort and pave the way for a prosperous future for all Wappinger residents! One Voice, Our Strength, Greater Tomorrow!

Sara Sheehan – Ward 2 – Republican, Conservative lines

1. What experience will you bring to the office that will help you represent the people of Wappinger?

I bring both professional and community experience that reflects a deep commitment to the people of Wappinger. As a registered nurse working in a fast-paced environment, I've developed strong problem-solving, communication, and leadership skills that help me listen carefully, make informed decisions, and advocate effectively for others. Being a lifelong resident of the Chelsea Hamlet as well as working in this community, has given me firsthand understanding of the challenges residents face — from preventing overdevelopment, ensuring public safety and actively improving our Town owned infrastructure. I am the right choice to ensure that the voices of Wappinger residents are heard and represented in every decision made by the Town Board.

2. What is your number one goal for the next term, if elected?

My number one goal for the next term is to strengthen community engagement and transparency in local government. I want residents to feel informed, included, and confident that their concerns truly shape the decisions being made. This means improving communication between the town and its residents, investing in smart growth that preserves our community's character, and ensuring that public resources are used efficiently and responsibly. I will continue to work with the Supervisor and the Town Board to prevent overdevelopment which overcrowds our schools and roads and work to improve our parks and recreational facilities. I will focus on open dialogue and accountability, we can make Wappinger an even better place to live, work, and raise a family.

Heather O'Dell – Ward 2 – Democratic, Working Families lines

1. What experience will you bring to the office that will help you represent the people of Wappinger?

Wappinger has always been home for me, and I care deeply about the people who live here. With my background in biology from Cornell and years of experience leading educational and recreational programs, I've learned how to bring people together and manage resources responsibly — including overseeing a multimillion-dollar nonprofit budget.

2. What is your number one goal for the next term, if elected?

My focus is on protecting our natural resources, especially the clean water in our wells, while working to make Wappinger a more affordable and welcoming place for everyone.

Edwards, Sheehan seek top spot in Town of Poughkeepsie

Rebecca Edwards

Larry Sheehan

Compiled by Kristine Coulter
The Town of Poughkeepsie Supervisor position will be on the ballot this Election Day, November 4. Incumbent Rebecca Edwards, Democrat, is seeking re-election. Larry Sheehan, Republican, is also running for the office. Polls are open from 6 a.m. to 9 p.m. on Election Day. Early voting began on Oct. 25 and will continue until Nov. 2.

Rebecca Edwards – Democratic, Working Families lines
1. 1. What 2 accomplishments are you most proud of from this term?
Presented two budgets that stayed below the 2% property tax cap—which is no small task when the cost of everything is rising, and this year, employee health insurance costs are rising at least 9.5%. Improved parks, Senior Center, and recreation programs, especially our free summer youth basketball camp.
2. What is your number one goal for the next term, if re-elected?
My number one goal in term two is to keep working for resident affordability — for example, by continuing to fight Central Hudson and high housing costs.

Larry Sheehan – Republican, Conservative lines
1. What experience will you bring to the office that will help you represent the people of Poughkeepsie?
I will bring a 40+ year business

approach to the supervisor’s office. My agenda will be what is best for the town not what is best for special interest groups. I will treat financial decisions as one would running a business. Over the past 38 years of residing in the Town of Poughkeepsie I have seen many financial decisions made from a political position and not a fiduciary position. I am NOT a politician. I, as a Town of Poughkeepsie resident, am fed up with 5%+ tax increases as we experienced this past budget.

2. What is your number one goal for the next term, if elected?
My first priority is to find a safe suitable home for our police officers and court employees. This can has been kicked for far too long. I have looked at the DOT building, as I have other locations, across from town hall on Burnett Boulevard. My understanding is that building is at less than 50% occupancy. Could this building be a temporary home? Could it be a permanent home? It is worth looking at.

Taxes, where do I start with that? Every politician says they will lower taxes. Can we? I am a blue-collar guy that has run the same business from the same Town of Poughkeepsie location for the past 40+ years. I look closely at every dollar my business spends. If I do not need it I do not buy it. Controlling spending controls taxes. I will treat the taxpayers money with the utmost respect.

explanation by adding that based on maps from the Revolutionary War; soldiers’ muster rolls; primary source materials and other historical accounts; photographs; and two (2) archaeological exams recently conducted at the site, all available data indicates that the burial ground on Mr. Broccoli’s property contains Revolutionary War soldiers.

By suggesting that I “confirmed that there is no evidence whatsoever that [his] property contains a Revolutionary War soldiers’ cemetery,” Mr. Broccoli is grossly misleading your readers. As to the other claims Mr. Broccoli makes in his editorial (supra), our group will, in the coming weeks and at our Facebook page, systematically display the information on which I and our group has developed its position that Revolutionary War soldiers are buried at the very property that Mr. Broccoli seeks to commercially develop.

Christopher Phillips – Ward 3 – Republican line

1. What 2 accomplishments are you most proud of from this term?

The many upgrades to the Town Highway Garage, it was neglected for many years and was in dire need of repairs. Our Highway Dept. is an incredible asset to this town, and they needed new equipment and facilities. Our upgrades to the parks and a special mention to getting our Town boat ramp replaced, it as well was long neglected, and I am surprised many more residents didn't get lost in the potholes there.

2. What is your number one goal for the next term, if re-elected?

I would like to finish the parks in the 3rd Ward along with replace our Veteran Banners with an upgraded banner.

The Town Board is also committed to upgrades to the package plants that are out of compliance, so we have a lot of work to be done.

Robert Cofer Jr. – Ward 3 – Democratic line

1. What experience will you bring to the office that will help you represent the people of Wappinger?

As a 25-year resident of the Town of Wappinger and a retired Westchester County CSEA employee, I bring with me over 37 years' experience in Water and Wastewater monitoring. As an Environmental Scientist, I am knowledgeable in many areas concerning the environment and infrastructure which affects our residents such as drinking water quality, both public water and private wells, storm water runoff, water pollution and landfills to name just a few. I hold a Bachelors degree in Environmental Science from Concordia College and Masters Degree in Public Administration from Marist College (now University). Additionally, I have served 25 years as a Trustee, Vice President of Operations and Volunteer Coordinator for the nonprofit organization "Beneath the Sea."

2. What is your number one goal for the next term, if elected?

I have spoken to many people, both long-time residents and recent arrivals to our beautiful Hudson Valley Region. All of them reside here because of the beauty and charm found here. However, like it or not, our region is growing. There is little that can be

done to stop this, but it must be managed in a way that preserves the character and wholesomeness of our communities. Critical to this is the management of our infrastructure such as Drinking Water, Wastewater and Storm water management. Also, unbridled construction cannot be allowed without consideration to the infrastructure required. I plan to be a knowledgeable voice in that arena and strive to maintain our community's affordability and hometown character.

Alfred Casella – Ward 4 – Republican line

1. What 2 accomplishments are you most proud of from this term?

There are many accomplishments I am proud of, but two really stand out the most are first, the complete upgrade of Schlathaus Park where we built a brand new stage and a walking path, installed Veterans banners, electronic signs, and the white rail fence. The idea is to make this a place where our community can gather and enjoy our park. It's all about the quality of life. We made these investments with little or no taxpayers dollars.

The second accomplishment I am proud of are the upgrades at Martz Field. We installed a beautiful war memorial for Major Daniel Martz and we partnered with Tyler Adams, Captain of the USA Soccer Team to upgrade the old baseball field into a soccer field. In addition, the pickleball courts are the best in Dutchess County at this facility.

2. What is your number one goal for the next term, if re-elected?

My number one goal next year is to look for ways to enhance residents' quality of life and continue to keep our town affordable. With everything increasing like electricity, groceries, Insurance, it's important for the Town to find ways to keep taxes low as many people are on fixed incomes. We can do this through pursuing grants, investing in equipment which enables us to do more work in house vs vendoring out. We have to think differently to save residents money and keep taxes as low as possible. We are already the lowest taxed town in Southern Dutchess.

Linda Ibrahim – Ward 4 – Democratic line

1. What experience will you bring to the office that will help you represent the people of Wappinger?

My name is Linda Ibrahim. For 39 years, the Town of Wappinger has been my home. My deep roots in this community fuel my passion for building a stronger Wappinger for ALL residents.

As a councilwoman, I would bring the combined experience of a wife, mother, and senior living in the Town of Wappinger. My concerns, needs and wants for the Town are the same as my neighbors and residents.

It has always been important to me to be involved and contribute to my community. I was an active PTA President and member. I returned to the work force and enjoyed working in a supervisory position with patients, doctors and lawyers in the world of medical records. After I retired, I became more involved and have been active in our local political community serving as Vice Chair of the Town of Wappinger Democratic Committee.

I would like to support Supervisor Joseph Cavaccini in moving his initiatives forward for the Town of Wappinger and its residents.

2. What is your number one goal for the next term, if elected?

If I was elected councilwoman for our town what is the first thing that I would do?

Although there are several concerns voiced to me by our residents I would FIRST work with Supervisor Cavacinni to restore the restrictions that were removed from the Town Code in 2019 regarding the location of gas stations in and around town.

My Town of Wappinger neighbors are distressed and worried over the possibility of water contamination, gas explosions and fires, added congestion and overall safety.

4-Hers present to county legislators in celebration of National 4-H Week

Four Dutchess County 4-H members were invited to present at a meeting of the Dutchess County Legislature on Tuesday October 14. A commendation was presented by Legislator Deirdre Houston, District 25, in celebration of National 4-H Week, October 5-11, 2025. A second proclamation from County Executive Sue Serino was also presented.

Margot LaPorte, 15 of Poughkeepsie, Landon Mishk, 16 of Millbrook, Maddie Sartori, 17 of Millerton, and Natalie Shultz, 17 of Wingdale, gave prepared speeches to a packed chamber about their Dutchess County 4-H experiences.

LaPorte is a member of the Dragons & Damsels 4-H Club and is homeschooled. She has been able to pursue her love of the outdoors through 4-H in Dutchess County and is taking college credit classes locally.

Mishk is a member of the Kids 4 Kids 4-H Club and attends Millbrook High School. Some of his favorite 4-H memories are at the Dutchess County Fair, spending time with his friends and his dairy goats.

Sartori is a member of the Top Dogs 4-H Club and attends Our Lady of Lourdes High School. Her mentors and trainers from the 4-H dog program inspired her love of dog sports and her plans to become a professional dog trainer.

Shultz is a member of the Got Goat Milk and Here Comes the Beef 4-H Clubs

and attends Dover High School. She shared how she met her best friend through 4-H and has ambitions to pursue veterinary medicine after high school.

Thank you to all members of the county legislature for inviting 4-H members to

present and for recognizing their accomplishments and personal growth through 4-H. Dutchess County 4-H staff and families are incredibly grateful for this opportunity and for the support of the county legislature.

Civic engagement opportunities like this challenge 4-H youth to develop a deeper understanding of local government, community development and how to voice their concerns as citizens. This along with other critical life skills such as leadership, public speaking and responsibility are built into existing 4-H positive youth development frameworks that grow

future leaders once youth graduate the 4-H program.

Dutchess County 4-H reaches over 2,000 youth ages 5-18 within the county through traditional 4-H clubs, Ag in the Classroom, afterschool programs and community events. 4-H is the flagship program of Cooperative Extension, operating nationally through each state's land-grant university system. Cornell Cooperative Extension Dutchess County (CCEDC) is located at the Farm & Home Center on Route 44 in Millbrook. For more information about 4-H or CCEDC, visit ccedutchess.org.

Obituaries

Robert Laurence Hancock

We said goodbye to our beloved Robert Laurence Hancock on October 9, 2025. Robert spent his final days at peace, with his children and grandchildren at his side.

Robert was born to Laurence and Anina Hancock on July 13, 1948. He grew up in Glenham, NY and graduated from Beacon High School. An entrepreneur, he founded and successfully ran an environmental restoration/landscaping company and a pool manufacturing business among other ventures. He was known in both business and personal life for his great honesty.

Robert had an irreverent sense of humor and a gift for finding common ground with others. He was a talented raconteur and observer of life and people. He took great pleasure in telling the stories of his past adventures, misadventures,

and interesting characters he encountered over the years. One of his great joys was discovering the unexpected connections linking us all together.

Robert cherished his wife, Ellen, of 51 years and deeply mourned her passing. Robert and Ellen spent later years living on their beautiful farm on Hickory Hill in Fort Plain, NY. The farm brought them great pleasure and was a realization of many of Robert's earliest childhood dreams. Robert was well known for giving safe haven to mistreated and neglected animals, and the farm was home to many of these animal rescues throughout the years.

Robert lived by a strong and steadfast moral compass and believed in the essential goodness of humanity. He was committed to the betterment of his community and was a patron of many causes. Robert was known to all for his generous nature, trusting spirit, and a willingness to see the best in people.

Robert is survived by his children, Elizabeth Hancock, Jesse Hancock and Emma (Nicholas) Wild; sister, Peggy Hancock; three granddaughters, Evangeline Compton, Elle Wild and Aurora Wild; four nieces and ten great nieces and nephews. He was predeceased by his beloved wife Ellen (Shively) Hancock, his parents and his nephew Captain Jonathan Shively (Gold Star).

Robert's passing is a great loss, but the profound impact he had on so many will live on.

A celebration of Robert's life will be held on November 8, 2025 from 1:00 pm-4:00 pm at the family farm.

In lieu of flowers, please consider making a donation to Ayres Memorial Animal Shelter in Robert's honor <https://www.ayresanimalshelter.org/get-involved> . Michael A. Istvan, Sr.

Michael A. Istvan, Sr., 66, passed away on October 18, 2025 after a long battle with cancer, surrounded by family and love. A man of great heart and sharp humor, he was a generous soul who carried both light and darkness with disarming honesty.

Born in Yonkers on November 21, 1958, he was the son of the late John W. and Barbara (Chillo) Istvan. Mike was a fighter from the very beginning, defying odds with the same stubborn vitality that would define his entire life. He was a Marine, a painter, a craftsman, a hunter turned animal whisperer, and a father whose rough edges framed a tender core.

Known to many in his family as “Spike,” Mike served proudly in the United States Marine Corps, earning the rank of Sergeant. There he continued to hone the handyman trades taught to him primarily by his father,

John Istvan: painting, plumbing, repair. His career spanned decades, from his early years at Witco-Chemprene to leadership roles at various painting businesses throughout the Hudson Valley. He believed that every surface deserved care, every project deserved pride, and every colleague deserved a fair shot.

Those who knew Mike knew his generosity. It was a generosity that could be impulsive, even reckless. But it always came from the heart. He was the type to hand a friend or a child a few dollars just because he could. Once he even treated his son's entire karate class to an impromptu day at SplashDown Water Park. Feeding stray animals without hesitation and helping anyone in need who crossed his path, he gave without counting the cost. His kindness, like his laughter, arrived unfiltered.

Mike loved nature and the creatures within it. In his younger years, he hunted. In later years, he couldn't bring himself to pull the trigger. And as he distanced himself from hunting, the animals drew nearer. Animals of all types, tame and wild, recognized something gentle in him and felt safe in his presence. It was a rare gift he carried quietly. But now and then he could be seen by people passing through the woods where he once lived feeding deer and raccoons by hand.

He was a man of stories, often vivid and unapologetically colorful. A man of rituals (beer, cigarettes, music, late-night laughter), he was an unforgettable character that even death can't stop you talking about. He was a flower that bloomed brilliantly, even if he couldn't grow comfortably in every garden. To remember him truly is not to sanitize him into some Hallmark image, but to celebrate the whole man: raw, flawed, full of heart, and funnier than anyone in the room.

Behind the antics lived someone who wrestled with solitude. He kept his distance from many people in later years, not from indifference but from a deep-seated anxiety he fought to numb for decades. Yet his love for others, especially his partner Beverly, never dimmed. He loved her deeply, and she stood by him with a compassion and grace that spoke louder than any rumor or misunderstanding.

Mike is survived by his son, Dr. Michael A. Istvan Jr., and his daughter, Elizabeth Higgins. His children-as well as his beloved partner, Beverly, and his extended family (the Last of the Mo'Beacons)-will carry his memory in laughter, in stories, in quiet acts of generosity, and in the subtle ways he shaped them.

Additional survivors include his grandson, Michael A. Istvan, III; his siblings: Barbara Goebel & her husband William, John Istvan, Joe Istvan, Darlene Joyce, Larry Istvan, and Carmine Istvan & his wife Lisa; and his former wife and friend, Dorothy Jones. He also leaves behind a host of nieces & nephews along with their families and many other relatives & friends.

Mike was predeceased by his parents as well as two nephews, Billy Goebel and Randy Velilla, III.

Calling hours were held on Thursday, October 23 at the McHoul Funeral Home of Fishkill, Inc., 1089 Main Street, Fishkill, NY. A funeral service was held at the funeral home, followed by interment at St. Joachim Cemetery, 325 Washington Avenue, Beacon, NY.

In lieu of flowers, memorial donations may be made to UNICEF by visiting www.unicef-usa.org.

W. David Atkinson

W. David Atkinson, a longtime resident of Fishkill, formerly of Beacon, passed away on October 16, 2025 at his home in Fishkill, New York. He was 84.

Son of the late William and Dorathy (Aldrich) Atkinson, he was born on March 13, 1941, and grew up in Beacon, where he graduated from high school in 1959. An alumnus of Clarkson University, he received a Bachelor of Mechanical Engineering and Master of Science degree in Industrial Management.

In 1963, David was commissioned as Second Lieutenant into the U.S. Army, Corp of Engineers and served during the Vietnam War era. He achieved the rank of First Lieutenant and was honorably discharged as a reservist in 1972.

As an engineer, David worked for Fluor Daniel Corporation and served as a facilities superintendent at various sites throughout the country including IBM in East Fishkill. He previously worked for Western Publishing, where he helped design printing presses. He retired in 2006.

He was an Eagle Scout, member of the American Legion, NRA, American Society of Mechanical Engineers and enjoyed hobbies such as bowling, model trains and photography, with specific interest in camera mechanics. As a knowledgeable handyman, Dave was always working on projects at his home and property and took great pride in assisting his sons with the construction and renovation of their households as well. More than anything else, he cherished his family, most especially as a grandfather.

In 1971, he married Geraldine (Geri) Poupore in Massena, NY. Geraldine survives at home in Fishkill.

Additional survivors include his sons and their wives: Todd and Sondra Atkinson of Hopewell Junction, Trent and Patricia Atkinson of Wappingers Falls, and Troy and Jessica Atkinson of Katonah; his grandchildren: Ty, Emilee, Harper, Hudson, Aidan, and Tema; his uncle, George Atkinson; countless members of the Poupore Family; and many other loving relatives & friends.

Calling hours were held on Saturday, October 25, 2025 at the McHoul Funeral Home of Fishkill, Inc., 1089 Main Street, Fishkill, NY. A memorial service took place in the funeral home. A graveside service with Military Honors followed at Fishkill Rural Cemetery, 801 Route 9, Fishkill, NY.

In lieu of flowers, memorial donations may be made to Tunnel to Towers Foundation, 2361 Hylan Boulevard, Staten Island, NY 10306 (www.t2t.org).

Sigfredo Rivera

With heavy hearts, we announce the passing of Sigfredo “PAPO” Rivera, a devoted partner, father, grandfather, brother, and friend, who left us on October 15, 2025, at the age of 72.

Born in Vega Baja, Puerto Rico, to Pedro and Juana Rivera, Sigfredo carried the spirit of his homeland with him throughout his life. He met his beloved partner, Ana E. Rivera, at the airport in San Juan as they both prepared to begin a new chapter in New York. Together, they built a life and raised their family in Beacon, NY.

Sigfredo is survived by Ana; his daughters, Juana and Ana; his son, Sigfredo; his son-in-law, Chris; his daughter-in-law, Jessica; and his grandchildren: Gabriella, Jalana, Lenny Jr., Josiah, Adriana, and Maya. He also leaves behind his siblings: Carmin, Dulciela, Awilda, Elba, and Elias. He was predeceased

by his siblings Dominga and Pedro, and his son-in-law Lenny Sr.

A man of quiet strength and deep devotion, Sigfredo worked tirelessly to provide for his family. His love was felt in the smallest gestures—rides in his work truck, sneaking doughnuts to grandkids, and the way he always made time for those he loved. Though he carried a tough exterior, his warmth and generosity were unmistakable to those who knew him.

Sigfredo had a gift for turning simple sayings into lasting memories and for drawing people in with his magnetic presence. His extended family included not just relatives, but neighbors, coworkers, and friends who became part of his ever-growing circle.

His legacy lives on in the lives he touched and the love he gave so freely. He will be deeply missed and forever remembered.

A visitation was held on Saturday, October 25, 2025, at Riverview Funeral Home, 2 Beekman Street, Beacon, NY 12508.

In accordance with his wishes, Sigfredo's ashes will be scattered along his favorite beach in Puerto Rico.

To send a personal condolence please visit www.riverviewbyhalvey.com.

Funeral arrangements are under the care of Riverview Funeral Home by Halvey, LLC.

Katherine Lillian Gallagher

Katherine Lillian Gallagher, a longtime resident of Wappingers Falls, NY; entered eternal rest on October 15, 2025; at the age of 78.

Katherine was born on June 26, 1947 in Middletown, NY; as the first-born child to the late Harold & Katherine Cole. She graduated from Cardinal Spellman High School in The Bronx, NY, class of 1966. She obtained a full scholarship to Hunter College but decided to forego that scholarship to start her family.

Katherine married Peter Gallagher in 1968, moved to Hartsdale, NY and then Somers, NY, where she raised her family. Katherine worked with IBM, Avon, Mary Kay, Jamesway, Macy's, Caldor, Four Winds Hospital and Putnam Ridge Nursing Home. Katherine was an avid volunteer in the Somers community and was instrumental in developing Cub Scout Pack 1 in the 1970s and 1980s. She was a part of the Lake Lincolndale Property Owners Association as well as the Somers High School Marching Band parent association in the 1990s.

Katherine enjoyed art and dance including Belly Dancing, Country Line Dancing, and became a Bob Ross Certified Instructor. She also ran her own art business, Images in Oil, from her Somers home.

Katherine retired to Wappingers Falls, and continued her love for art by scrapbooking, knitting and crocheting and spending time with her family, being lovingly known to all as Nana.

Katherine is survived by her daughter Kerry Gallman (Thomas Sr.), her greatest pride and joy in life, her grandchildren, Thomas Jr., Jacqueline and Joshua of Wappingers Falls, NY, her brother Harold Cole (Jeanne), and her son. Katherine was predeceased by her parents, brother, Christopher Cole and sister, Ann Cole.

A Celebration of Life in Katherine's honor will be held on Saturday, November 1, 2025 at the Hughsonville Fire House, 88 Old Hopewell Road, Wappingers Falls, NY 12590 from 2-4pm. Light refreshments will be served. In lieu of flowers, the family wishes for memorial donations to be made in Katherine's memory to Hudson Valley Hospice, 80 Washington Street, Suite 204, Poughkeepsie, NY 12601 or visit <https://www.hvhospice.org/donate-now/>.

Youth and family center to be ‘a space that’s alive with energy’

Dutchess County Executive Sue Serino continues her passionate commitment to creating opportunities for the children and young people across Dutchess County, with her upcoming 2026 Executive Budget including nearly \$2.5 million for new and continuing youth initiatives. County Executive Serino also announced the County will move forward with the countywide Youth Opportunity Union (the YOU) facility, with a realistic and sustainable plan to build a vibrant, multi-use center in the City of Poughkeepsie that will offer safe spaces, enriching programs, and connections for residents of all ages.

“When I served on the County Legislature, I heard from kids who said all they wanted was a safe place to go – somewhere they could be themselves, have fun, and know they belonged,” said Dutchess County Executive Sue Serino. “The YOU will be that place – a space that’s alive with energy, where learning and laughter happen side-by-side, and where kids, families, and seniors alike, can find opportunity and connection.”

New Path Forward for the Youth Opportunity Union

The YOU design concept includes:

- Licensed Child Care Wing to expand affordable, quality care for working families
- Youth Empowerment Center for mental health wellness, mentorship, and positive youth engagement
- Teaching Kitchen for hands-on culinary and wellness education
- Multi-Purpose Rooms for tutoring, workshops, and community events
- Indoor Gymnasium with full-court basketball, as well as pickleball conversion, to promote active living
- Outdoor Play & Gathering Zones for safe, inclusive recreation

This right-sized plan follows an in-depth project review that County Executive Serino began when she took office last year. Earlier proposals consid-

ered by the previous administration had construction costs ranging as high as \$150 million, and relied heavily on private or other public funding to cover a majority of construction costs. With the goal of a realistic and achievable plan; construction costs, funding options and ongoing operational costs were carefully evaluated and Serino engaged in open and honest conversations with City of Poughkeepsie Mayor Yvonne Flowers and other community stakeholders about how to deliver a project that is financially responsible and a valuable community resource.

The estimated total cost for the project is \$26.1 million. \$3.5 million in County funds remain available from the \$8.5 million originally committed by the Dutchess County Legislature, with an additional \$1.5 million set aside in the Community Benefit Fund and \$1 million in opioid settlement funds that would be appropriated by the County Legislature. Congressman Pat Ryan has also previously secured \$1 million grant for the project. The County is pursuing additional grants, including a \$15 million request submitted through the NY Bricks Grant program. Any remaining funding, not covered by grants or donations, will need to be approved by theDutchess County Legislature.

The year-round use facility, will be operated by the County under the direction of a facility director who will work with community organizations to offer programming, including:

- Afterschool and weekend activities for youth, including sports and events
- Mental health and wellness workshops
- Culinary skills classes and healthy cooking demonstrations
- Career readiness and skill-building programs, including computer tech and vocational programs, such as medical arts
- Senior fitness, arts, and social events
- Community celebrations, cultural festivals, and holiday gatherings

With the new design focused on ensuring real community needs can be met,

while also being operationally sustainable long-term, the County has formally declined the State’s \$10 million SWIMS grant, originally awarded to support a portion of pool construction cost. Swimming facilities will not be part of the project, due to high annual operating costs. County Executive Serino has written in support of the City of Poughkeepsie’s current SWIMS grant application for improvements at Spratt Park and has encouraged the Governor to provide the \$10 million to the City, enabling local families to benefit from State investment in a sustainable way.

“This is all about getting the YOU built and making sure it’s here for generations to come,” Serino said. “It’s focused, it’s flexible, and it’s financially responsible. The YOU is more than a building – it’s a promise to our neighbors that Dutchess County will invest in its people, its neighborhoods, and its future. When we open the YOU, we’ll open the doors to possibility and pride that will last for decades.”

The plan has been intentionally designed to be scalable depending on actual grant awards, as well as fundraising interest and/or state and federal resources. The NY Bricks Grant award announcements are anticipated in November or December this year. If the County’s grant application is successful, construction could begin in 2027, with the YOU opening in late 2028. A Request for Proposal has already been issued for design, estimating and construction management services, so the Dutchess County Department of Public Works can get underway as quickly as possible, based on final funding availability and approval.

County Legislature Chairman Will Truitt said, “This plan keeps the focus where it belongs – on serving our residents in a way that’s responsible and sustainable. The Legislature is committed to seeing the YOU succeed, and we’re excited to see this new vision move forward.”

Youth Continue to be Priority in 2026 Executive Budget

As the design work and construction plans for the YOU are developed in 2026, multiple other youth-centered initiatives continue. County Executive Serino’s 2026 Executive Budget includes funding for childcare provider development, YOU mini grants, summer camp experiences for income-eligible youth at Camp Nooteeming, Youth Police Initiative and more.

Earlier this year, Serino expanded ‘YOU Without Walls’ initiative for programs and partnerships across Dutchess County with \$250,000 in Drop-In Center Grants awarded to 14 local libraries and youth-serving organizations. These investments are creating and enhancing additional safe, welcoming spaces where young people can connect with mentors, learn new skills, and access resources close to home.

The 2026 budget also includes more than \$2 million in youth investment, including the Youth and Summer Youth Employment Programs (YEP and SYEP), the Youth Development Program (YDP), Youth Sports and Education (YSE) Program, as well as Youth Team Sports (YTS). The Dutchess County Department of Community and Family Services partners with community organizations through these New York State-funded programs to help young people develop important life, social and job readiness skills, gain work experience, promote physical and mental health, and academic success, as well as build strong community ties.

County Executive Serino presented her 2026 Executive Budget in the Dutchess County Legislature Chambers on Wednesday, Oct. 29. The Budget Address can be viewed on the County’s website at www.dutchessny.gov.

REQUEST FOR PROPOSAL FOR SNOW REMOVAL AT VILLAGE POLICE DEPARTMENT – 4 WOOD PLACE VILLAGE FIRE DE-

Legal Notices

PARTMENT – 1132 MAIN ST.
Bids will be received by the Village of Fishkill, Dutchess County, Van Wyck Hall, 1095 Main Street, Fishkill, New York until 1:00PM, November 28, 2025 for snow removal at the Police and Fire Departments.
The attached scope of work must be reviewed and understood fully before a bid is submitted.
Contractor responsibility:
* Perform all work in a safe and professional manner.
* Abide by all federal, state and local laws and regulations.
* Provide all materials, equipment, labor and safety equipment needed.
* Insure public safety at all times.
* Provide proof of Liability and Workmen’s Compensation Insurance to the Village of Fishkill. The Village shall be shown as an additional insured.
Bid should be provided for an hourly rate to cover all materials, equipment, and labor to accomplish the Scope of Work. Should your hourly rate be different for the Fire Department and Police Department, please list them separately, listed as FD or PD. Should you want to bid

differently, by a per storm rate or an accumulation rate, please do so as an alternate. Lump sum pre-pay season bids can NOT be accepted.
All Bids must be sealed and marked “SEALED BIDS SNOW REMOVAL” on the envelope and sent to Van Wyck Hall, Village Clerk, 1095 Main Street, Fishkill, NY 12524 before 1:00pm on November 28, 2025.
THE VILLAGE OF FISHKILL RESERVES THE RIGHT TO REJECT ANY OR ALL BIDS.
A. SCOPE OF WORK
1. The Village of Fishkill proposes to enter into an agreement with a contractor to provide snow and ice removal services at the Village of Fishkill Police Department at 4 Wood Place and the Village of Fishkill Fire Department at 1132 Main Street in the Village of Fishkill, NY.
THIS PROJECT CONSISTS OF FURNISHING ALL MATERIALS, EQUIPMENT, LABOR AND TRANSPORTATION NECESSARY TO PROVIDE SNOW AND ICE REMOVAL SERVICES AT THE LOCATIONS LISTED ABOVE.
2. Snow removal services shall include snow plowing; includ-

ing back drawing, snow shoveling, removing accumulated snow for disposal as needed to maintain clear flow and parking, removal of ice and ice buildup, sanding and ice treating as needed to maintain bare pavement as weather will permit, and ensuring proper and safe access to the buildings, sidewalks, ramps and parking lots.
3. Prior to the first snowfall to avoid the possibility of damaging curbing, manholes, fencing, guard rails, electrical junction boxes and any other areas that are susceptible to damage because they are easily concealed by snowfall, the Contractor shall stake out (clearly marked/identified) said locations. The snow is to be managed to minimize the elimination of parking spaces. Back draw and other means may be needed to maintain full parking access and ramp access.
4. Plowing/Clearing is to be started within one (1) hour after an accumulation of snow that is greater than two (2) inches. The contractor must perform snow removal services as stated and removal shall continue after each additional two (2) inches of accumulation.
5. Snow is to be

cleared from all entrances, exits, public sidewalks, building walkways, ramps, and parking areas at the Police Department at 4 Wood Place and the Fire Department at 1132 Main Street.
6. If and when necessary, snow must be trucked from the sites to maintain complete access to all parking areas, entryways, apparatus ramps and exits. The Contractor shall notify the Village of Fishkill when this is needed and Village Personnel will provide trucking to assist contractor with said task.
7. Salt CAN NOT be used on any concrete surface. An approved ice/snow melt or other substitute may be used. This will eliminate damage to the concrete surfaces and reduces the contractor’s potential liability for repairs.
8. Sanding and/or ice treatment shall be performed on parking lots, ramps, walkways, sidewalks, and exits as needed or on request to maintain areas in a safe and useable condition. Vendor is responsible for the shoveling of building entrance, exits, sidewalks, and walkways, all of which must be clean, and remain ice-free.

Dr. John M. Murphy to retire as President, CEO of Nuvance Health

Dr. John Murphy retires after decades of inspiring leadership; Michelle Robertson named new market president for the region.

Dr. John M. Murphy, president and CEO of Nuvance Health, now part of Northwell Health, will retire at the end of December 2025, concluding a distinguished career spanning more than four decades in healthcare leadership and clinical practice.

Dr. Murphy has served as CEO since the formation of Nuvance Health in 2019, following the merger of Western Connecticut Health Network and Health Quest. Before assuming administrative leadership roles, Dr. Murphy practiced as a neurologist, earning a reputation for clinical excellence and compassionate patient care.

Under Dr. Murphy’s leadership, Nuvance Health grew into a regional healthcare powerhouse, known for its commitment to quality, innovation and community care. Most recently, Dr. Murphy played a pivotal role in the successful integration of Nuvance Health into Northwell Health, one of the largest nonprofit health systems in the Northeast.

After two decades of service, Dr. Murphy’s impact has been nothing short of transformative. Under his steady and visionary leadership, Nuvance Health evolved into a thriving seven-hospital system that now proudly joins Northwell Health. His dedication to innovation and excellence can be seen across every corner of the organization, from the nationally respected medical education program to the expansion of ambulatory care, bringing high-quality services closer to the communities served by the health system.

“It has truly been the honor of a lifetime to serve this organization and to work with such talented and compassionate colleagues,” Dr. Murphy said. “The friendships, shared victories and sense of purpose we’ve built together will remain with me always. I am forever grateful to the community and all our supporters for placing their trust in us.”

Dr. Murphy’s tenure was marked by significant achievements, including rising patient satisfaction scores, record-high employee and physician engagement and nationally recognized performance in quality and safety. He established the first-of-its-kind Global Health Program, launched the Rudy L. Ruggles Biomedical Research Institute to advance biomedical innovation

and forged strategic partnerships with storied organizations such as the Cleveland Clinic. These initiatives elevated Nuvance Health’s national reputation as a leader in research, education and global health collaboration.

Dr. Murphy was instrumental in attracting top-tier physicians and specialists to the region, significantly strengthening Nuvance Health’s clinical depth. His leadership drove the development of advanced specialty care programs in cardiology, oncology and neuroscience, ensuring patients had access to cutting-edge treatments close to home.

During the unprecedented challenges of the COVID-19 pandemic, Dr. Murphy served as a trusted advisor to Connecticut Governor Ned Lamont, helping to shape vital testing, vaccination and hospital management strategies. His contributions were instrumental in achieving one of the lowest COVID-19 mortality rates in the country, a testament to both his leadership and compassion.

Effective January 1, 2026, Michelle Robertson, currently chief operating officer of Nuvance Health, will assume the role of market president for the Nuvance Health region, consistent with Northwell Health’s regional leadership structure.

“Dr. John Murphy’s legacy is one of vision, compassion and unwavering dedication to our mission,” Robertson said. “His leadership has shaped the culture of Nuvance Health and elevated the care we provide to our communities. I am honored to continue building on the foundation he created.”

Dr. Murphy’s CEO role will not be replaced, as Northwell Health will operate under a unified leadership model. Dr. John D’Angelo, who succeeded Michael Dowling as CEO of Northwell Health on October 1, will oversee the integrated system.

Foam & Wash honors Veterans with free car washes on Veterans Day

Foam & Wash Car Wash is proud to honor the brave men and women who have served our country by offering free \$25 Ceramic Car Washes to all active-duty military personnel and veterans on Veterans Day, Tuesday, November 11.

This annual tradition, now in its 20th year, is a heartfelt thank-you to those who have sacrificed for our freedom. Veterans and active-duty service members are invited to visit any of Foam & Wash’s six soft-cloth car wash locations in Poughkeepsie, Wappingers Falls, Fishkill, Newburgh, or Vails Gate, including 15 North Grand Avenue, Poughkeepsie, and 20 Merritt Blvd, Fishkill, from 8 a.m. – 6 p.m. on November 11. Simply inform the staff of your military service—no ID required.

“Veterans Day is the highlight of our year at Foam & Wash,” said Todd Baright, “My family and I are deeply grateful for

the sacrifices made by our service members. Offering free car washes is a small way to express our gratitude and celebrate their service.”

As a family-owned business since 1966, Foam & Wash has grown from one of the nation’s first coin-operated car washes in Vails Gate to operating 13+ properties with 130 dedicated associates. In addition to soft-cloth and touch-free car washes, they offer self-service car washes, dog washes, a laundromat, and a Shell gasoline station with a convenience store.

For more information, visit www.foam-mandwash.com or contact Chrissy Hippauf at 845-297- 5484 Ext. 100. Foam & Wash is proud to support Grace for Vets, a national program honoring veterans through free car washes. Locations: Poughkeepsie, Wappingers Falls, Fishkill, Newburgh, Vails Gate.

County Players presents ‘The Dining Room’

American comedy performances Nov. 7-22

County Players, one of the longest-running community theatre companies in the area, is proud to present the American Comedy “The Dining Room” by AR Gurney. This Main Stage production, directed by Christine Cawfis opens Friday, Nov. 7 with additional performances scheduled for Fridays & Saturdays Nov. 8, 14, 15, 21, 22 at 8 p.m., with matinees on Sunday, Nov. 16, and Saturday, Nov. 22 at 2 p.m. at the County Players Falls Theatre, 2681 W. Main Street in the Village of Wappingers Falls.

Change is on the menu. Set in the dining room of a typical mid-20th century household, this brilliantly conceived and richly humorous theatrical tour de force showcases the now neglected room which was once the vital center of family life. In a mosaic of interrelated scenes—some funny, some touching—an ensemble of actors creates an in-depth portrait of a vanishing lifestyle. A theatrical experience of exceptional range, compassionate humor and abundant humanity, The Dining Room displays the neglected room in all its splendor, with the glassware, silverware and tablecloth used by generations past.

The production features the local talents of Dylan Parkin, Alex Petrova, Lauren Silverman, Doug Woolley, and

Julie Woolley. Of the play says director Cawfis, “You will find no singular plot here, so don’t look for one. What you will find are bits and pieces of families as they live out their lives in a typical dining room. I feel certain that you will recognize yourself before the play is over.”

Tickets are: \$26 Adults, : \$24: Senior 60+, Military, Students (with ID at the door) and Children Under 12. Individual tickets are available online in advance of performance dates at countyplayers.org and the Box Office is open for in-person ticket sales one hour before each performance.

This production of “The Dining Room” is supported by Gold Show Sponsors: Denny & Rosemary Evaul, & Adams Fairacre Farms; and is presented by special arrangement with Broadway Licensing, LLC serving Dramatists Play Service collection, dramatists.com. Hudson Valley Credit Union proudly sponsors County Players’ 68th Season.

County Players Falls Theatre is equipped with an assistive listening system for the hard of hearing. If you require wheelchair accessibility, please contact our Box Office at 845-298-1491.

DIY skeleton: A spooky ‘skulture’

Holidays can present opportunities to squeeze some learning into fun projects. Such is the case with Halloween. You can use imagery of skeletons to teach about bones, joints, and the skeletal system. Here are some “talking points” that could be discussed as you create a DIY skeleton with your own children or students in a classroom.

The skeleton

The musculoskeletal system includes muscles and joints working with bones to provide structure to our bodies and allow movement. Besides movement, skeletons protect our body’s internal organs. Human skeletons are made up of 206 bones. Some are referred to by common names, but learning their scientific names can be fun and useful! Some easy examples are tailbone (coccyx), collar bone (clavicle), and kneecap (patella). Include a number of others, depending on the ages you are working with.

Bone types

There are several types of bones in the human body. Long bones have a long, thin shape. Examples include the bones of the arms and legs (excluding the wrists, ankles, and kneecaps). With the help of muscles, long bones work as levers to permit movement. Short bones have a squat, cubed shape. Examples include the bones that make up the wrists and the ankles. Flat bones have a broad surface. Examples include shoulder blades and breastbone. Irregular bones have a shape that does not conform to the above three types. Examples include the bones of the spine and pelvis.

Bone tissues and cells

Bones have different layers. The outer shell is called the periosteum. It contains

blood vessels and nerves. Tissue below that is called compact bone, which provides protection for inner layers. Spongy bone, inside most bones, is made of a honeycombed material, which allows them to be strong yet lightweight. The innermost tissue is the bone marrow. It is a jelly-like substance found inside the cavities of some bones. It produces blood cells and platelets.

Our body is constantly remodeling its skeleton by building up and breaking down bone tissue. As a result, each bone is rebuilt about every decade. The bone cells involved in this process include osteoblasts (cells that build bone), osteocytes (cells that maintain bone by controlling mineral and calcium content), and osteoclasts (cells that break down old bone tissue).

Many factors work together to ensure the strength and health of bones. Bone density relies on a steady supply of dietary calcium, adequate vitamin D from sunshine and food, a healthy diet with plenty of vitamins and minerals, various hormones, and regular weight-bearing exercise.

Joints

Joints hold the skeleton together and support movement. Some joints are immovable, such as skull sutures and the articulations between the teeth and jaws. Other joints allow slight movement like the membrane between the two lower-leg bones. The most obvious joints in this DIY skeleton are fully movable, such as those in the limbs. Fully movable joints contain a capsule of fluid and are often reinforced by ligaments. Examples of fully movable joints include elbows and hips.

You can make your own DIY skeleton out of paper towel and toilet paper rolls! Watch a “how to” video here: https://www.youtube.com/watch?v=WTk33M99G_4. Agatha Christie’s chilling mystery set Nov. 7-23 at The Center

CENTERstage Productions, the resident production company of The Center for Performing Arts at Rhinebeck, invites audiences into one of Agatha Christie’s most chilling mysteries: “And Then There Were None.” The production runs Nov. 7-23, with performances Fridays at 8 p.m.; Saturday, Nov. 8, at 8 p.m.; Saturdays, Nov. 15 and 22 at 3 p.m.; and Sundays at 3 p.m. Tickets are \$25.

Following the success of “Murder on the Orient Express” (Fall 2024) and “The Mousetrap” (February 2025, in collaboration with Up In One Productions), CENTERstage Productions returns with another Christie classic, this time tackling one of her darkest and most psychologically complex works. In “And Then There Were None,” 10 strangers are summoned to a remote island

under mysterious circumstances. Each guest hides a terrible secret, and as they begin to die one by one, it becomes clear that a murderer is among them. Trapped by a storm and haunted by a sinister nursery rhyme, the survivors must uncover the killer before no one is left alive. CENTERstage’s recent Agatha Christie productions have drawn enthusiastic crowds and acclaim for their atmosphere, suspense, and ensemble performances. With “And Then There Were None,” the production dives deep into the psychological tension that made Christie the best-

selling mystery writer of all time. Directed by Emily DePew, with assistant direction by Justin Doro, the production features Joe Bongiorno, Michael Britt, Tom Bunker, David Foster, Lucas Hopper, Morgan McKinley, Lindsay Moravec, David Shakopi, Thom Webb, Wendy Urban-Mead, and Elaine Young. Recommended for ages 13+. Tickets are available at www.centerforperformingarts.org or by calling the box office at 845-876-3080. The Center is at 661 Route 308, just east of Rhinebeck Village.

Italian Halloween

It’s all about the candy.

Halloween in our house was different than your average American Household. Granted, we carved pumpkins, and made costumes like everyone else, but that is where the similarities ended.

When we carved pumpkins, Mom would retrieve all the pieces of the pumpkin that we discarded and roasted it with garlic and rosemary, which we would have with dinner that night.

Halloween usually was around the time we were making wine, so to my parents that was much more important than us making costumes to go begging for candy. But to us, this was the ultimate holiday. A time for us to be like regular American kids. A time for us to not have to eat homemade candy. No, this was our chance to get Snickers bars, Three Musketeers bars, Charleston Chews and gum. This was our chance to get HERSHEY’S!

Leading up to the big day, I can remember dreaming of pouring huge sacks of candy out on my bed and running my hands through it. My little brother and I would painstakingly plan our costumes in order to make sure we would maximize our take. Naturally, the better the costumes, the better the candy. Once people saw how creative we were, they would empty their bowls into our sacks. No, we would never think of wearing store-bought costumes (Mom wouldn’t buy us one, anyway). We were artists, and we would build our own elaborate costumes! That was between doing homework, making wine, raking leaves, and tilling the garden for the spring.

I remember the year I was going to be a robot. It was 1977 and “Star Wars” was still at the Roosevelt movie theater. I carefully saved boxes to build my robot suit. I found old cans of paint in the basement to paint my stupendous costume. In theory, I would attach a small box, for my head, on top of a big box, for my body. I would roll cardboard for my arms and legs and attach the whole thing using duct tape. Then I would carefully paint it. Punch out some holes for eyes and a mouth. Add a few light bulbs, some dials, and old wires and I would be all set in my genuine “Star

Wars” inspired robot suit with light bulbs, wires and dials.

My little brother was going to be a hobo. Ha! I thought I would have to bring two sacks with me in order to collect all the candy I would get from my genuine “Star Wars” inspired robot suit with light bulbs, wires and dials.

In the days and weeks leading up to the big day, I carefully built my suit in my basement. Taping and painting with such care. Putting the old light bulbs into the box, adding the old dials and the bits of wire in order to make it look realistic. When it was completed, in my mind, it looked like a genuine “Star Wars” inspired robot suit with light bulbs, wires and dials. It was so big, I couldn’t bring it up the stairs in the house, so I had to bring it up the outdoor cellar stairs.

When the big night came, Vinny put on his torn shirt, used some charcoal from the barbecue, and put on an old hat. Big deal. I had on my genuine “Star Wars” inspired robot suit with light bulbs, wires and dials.

That night Mom sent my older brother Anthony out with us to watch over us. It was really difficult to walk with the rolled cardboard around my legs. That’s OK, I was wearing my genuine “Star Wars” inspired robot suit with light bulbs, wires and dials, and I was going to get a truck load of candy. However, as we walked it got more and more difficult. It wasn’t very flexible, so I had to ditch the arms and legs in the woods so that I could walk. My costume still looked great even without the arms and legs. I would still clean up, because I was wearing a genuine “Star Wars” inspired robot suit with light bulbs, wires and dials.

Once we hit the neighborhood, I really couldn’t see too well because the holes I had put in for eyes weren’t big enough. I was tripping as we went to the first few houses. I noticed Vinny got the same amount of candy as I did. Hmm. I thought that would change as we got to the really generous houses that were sure to be down the road a bit.

I took off my head by the fifth house,

because I couldn’t see and it was getting hot inside the box anyway. So now all I had was the body and pieces were starting to fall off it also. On we went. With pieces falling off every other house, until finally, I was wearing a painted box as a costume. Not only that, I was getting the same amount at every house we went to. I had no idea what was going on!

Finally, we went to our last house, and it was time to start the walk home. As we walked my legs kept hitting was left of my genuine “Star Wars” inspired robot suit with light bulbs, wires and dials. By the time we got home, I had ditched the box altogether and was just walking in my NY Mets jacket that Mom insisted I wear under my costume.

When we got home, we counted our candy and to my surprise, not only did I not have more candy than Vinny, but he in fact had a few more pieces than me. I was shocked. I had put such care into building my genuine “Star Wars” inspired robot suit with light bulbs, wires and dials and my investment didn’t pan out. That’s OK. At least we had our candy, and, in the end, that is all that mattered. Not the genuine “Star Wars” inspired robot suit with light bulbs, wires and dials. Only the candy. I ran my hands through the pile of candy. You could smell the Hershey’s chocolate perfume wafting in the air. It was like heaven.

The next year, I didn’t bother with the huge costume plan. I took a page out of Vinny’s book and was just a hobo and got the same amount of candy. As I said, it was all about the candy!

While reminiscing about your childhood Halloween, please enjoy the following recipe for Pumpkin Gnocchi. It is another use for the leftover pumpkin pieces when your kids carve out their jack-o-lanterns. Have fun! Ciao!

Pumpkin Gnocchi Ingredients

- 1 small pumpkin, cut and peeled
- 1 egg

- 1 cup flour (more for dusting the board)
- Freshly ground nutmeg
- ¼ cup of grated parmesan cheese
- 10 sage leaves, picked
- ¼ cup butter, unsalted
- salt and pepper to taste

Method

In a large double boiler, steam the pumpkin until soft, around 25 minutes. If the pumpkin feels wet, dry it out a bit by placing it in a large pan over a low heat to remove some excess moisture.

Use a potato masher to mash up the pumpkin in a large bowl then add the egg, flour, nutmeg and parmesan cheese (add some salt and pepper to taste). Using a fork, mix the ingredients together. When you are done, it will look quite sticky.

On a floured tray roll your gnocchi dough into a ball and place in the refrigerator overnight. The next day, Flour a wooden board and line a tray with baking paper. With floured hands, take teaspoon sized bits and roll them into balls and place it on the baking tray.

Bring a large pot of salted water to the boil and then lower the heat to a medium boil. Drop the gnocchi pieces and let cook until they start floating to the top. Remove from the water and place on some kitchen paper to absorb the water. Keep warm.

For the sauce, heat the butter until nicely browned and it smells nutty, then add the sage leaves. Pour the browned butter sauce and sage leaves over the gnocchi and serve immediately.
